Alexandria Gazette.

THURSDAY EVENING, JULY 26.

A CAMEL'S REVENGE.—An English traveler in the East gives the camel a very poor character. According to his account the creature is from first to last undomesticated and savage, rendered serviceable not by tameness but by stupidity. One passion alone he possesses; namely, revenge, in the carrying out of which he shows an unexpected degree of far-thoughted malice, united with all the cold stupidity of his usual character. One instance of this I well remember. A lad of about fourteen had conducted a large camel, laden with wood, to another village about half an hour's distance. As the animal loitered or turned out of the way its driver struck it repeatedly, and harder than it seems to have thought he had a right to do. But not finding the occasion favorable for taking immediate revenge, it bode its time; nor was that time long in coming. A few days later the same lad had to reconduct the beast, unladen, to his own village. When they were about half way on the road, and at some distance from any habitation, the camel suddenly stopped, looked deliberately around in every direction to assure itself that no one was in sight, and finding the road clear of passengers, made a step forward, seized the unlucky boy's head in its monstrous mouth, lifting him into the air, and flung him down again with the upper part of his skull completely torn off. Having thus satisfied its revenge, the brute quietly resumed its pace toward the village, as though nothing were the matter, till some men, who had observed the whole proceeding, though unfortunately at too great a distance to be able to afford timely help, came up and killed it.—*St. Louis Globe Democrat.*

ADVICE TO MOTHERS.

Mrs. WINSLOW'S SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhœa, griping in the bowels and wind-colic. By giving health to the child it rests the mother. Price 25 cents a bottle.

Democratic Congressional Convention.

At a meeting of the Democratic Committee for the Eighth District of Virginia the following resolution was adopted:

That a district convention be, and the same is hereby, called to meet in the city of Alexandria on Wednesday, September 5th, at 12 o'clock noon, for the purpose of nominating a member of Congress from the 8th district of Virginia. The basis of representation shall be one delegate for every hundred votes or fraction over fifty cast at the gubernatorial election of 1885. The committees of the cities and counties of the district are requested to give notice of meetings for the selection of delegates from their respective cities and counties.

Delegates are requested to be present in Alexandria at ten o'clock a. m. on the day of the convention, that the business of the same may be facilitated. HENRY HEATON, Chairman.

LEONARD MARBURY, Secretary.

[Democratic papers of the 8th district are requested to copy this notice.

	WILLIAM S. ODELL.

The capital stock of this company is $625,000, divided into 625,000 shares of $1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location, Music Mountains, A. T.,) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment.

For full information in regard to this Mine apply to the

SUMMER GOODS.

If you are thinking of buying a Refrigerator, Water Cooler or Ice Cream Freezer, give us a call and examine the celebrated "RIDGWAY" FREEZERS and REFRIGERATORS and "PHILADELPHIA" COOLERS before making a purchase. We have these goods in all sizes and at prices within the reach of all. These goods are superior to anything of the kind on the market. To mention one point in the many of these brands: the air in the refrigerator is not only cold, *but perfectly dry. The machinery about the freezer, unlike that of any other make, is entirely protected,* thus preventing it from being clogged with ice or from washing your fingers. The Cooler is made of the best materials, on scientific principles. We sold a great many of these goods in this city the past season, and we can refer to any purchaser for a recommendation. The GAZETTE, chronologically, is in the eighty-ninth year of its existence and is not only the oldest paper in the State, but, with very few exceptions, in the country. Notwithstanding the fullness of its years, it has kept, and will continue to keep abreast of the times in all that pertains to a *news* paper, furnishing its readers daily with a perfect mirror of passing events, domestic and foreign. Its facilities for obtaining news as they increase are taken advantage of and used for the benefit of its readers, who are thus kept thoroughly posted as to all that is of interest politically, socially, financially and commercially. Special attention is given to matters concerning the State and its welfare, while its local columns contain all that is of the slightest interest to Alexandria. Its regular correspondence from Washington and Richmond are features of peculiar interest, as attested by the eagerness with which they are read and copied by other papers, while its editorial department, conducted with reference to the best interests of the city, State and country, will continue to advocate what is believed to be right, just, honest and patriotic. With a view to the interests of merchants, farmers, and all interested, its commercial columns are carefully edited and its market reports are acknowledged by all to be faithful and accurate. Through all this section of the State and in all parts of the country where Virginians have located, there will the GAZETTE generally be found, and thus as an advertising medium it has few equals outside the large cities. In the household, counting room and workshop, it is an ever welcome visitor, acceptable alike to old and young, the grave and the gay.
