

THE CHERUBS WINNERS

THEY CATCHED A GAME FROM THE REDDIE SPIDERS YESTERDAY.

Mr. Butler Ford Umpired the Game and Failed to Give Satisfaction to the Many Spectators Present.

The three hundred spectators who went over to the Chesterfield diamond yesterday afternoon to see the College Spiders and the Manchester Chereubs play ball were treated to an exhibition of seemingly unfair play that should never be countenanced on any ball field.

At 10 o'clock the moderator took the chair, and the minutes of Tuesday were read and approved. Rev. N. L. Wood offered an amendment to the constitution, which on being put to the vote was lost.

Mr. H. M. Starke read the report on the Sunday School and Bible Board, which was discussed by Dr. H. W. Battle, of Petersburg, who as a member of the board urged with strong arguments the importance of carrying the Bible into every home.

Dr. Hiden made a plea for the union of the Sunday school and the Bible. He said that the Bible is the life of the church and the congregation joined in singing "How Firm a Foundation."

Dr. Hiden ridiculed some of the songs which are sung in the Sunday school. He said that these songs are not only unattractive and secure a large patronage, they are neatly kept and have proven very satisfactory.

Rev. J. S. Hill expressed his pleasure in knowing that we have more Sunday schools than churches in this Association. He said that the needs of our board in the Association.

The report on the Sunday School and Bible Board was adopted, and the Association rose and sang "Rock of Ages, Cleft for Me."

The next order of business was the reading of the report on State missions, which was read by Brother William H. Turner.

Rev. R. Thornhill was recognized and invited to sit in the council, who in reply begged to be recognized as a corresponding member from the Middle District Association.

Dr. Cooper offered a short paper in addition to the report as made by Brother Turpin, and discussed the condition of the board at this time.

Dr. Landrum spoke of the narrowness of the Association in its handling of the State Mission Board that all the money raised in their Association shall be spent within their bounds.

Professor Edmund Harrison said we need to look back and see what we have been doing. He said twenty-three churches gave a total of \$11,000.

FLOGGED THE DRUMMER

A. M. ROGERS, OF CHICAGO, UNEXPECTEDLY BEATEN AT COEBURN.

He is Alleged to Have Attempted an Assault Upon the Eleven-Year-Old Daughter of Depot Agent Uter.

COEBURN, VA., July 19.—Special.—A week ago a mob of twelve or fifteen men dragged A. M. Rogers from the Alderson Hotel here, carried him half a mile and beat him unmercifully. They then compelled him to leave town on foot, denying medical assistance.

Several of the mob have been arrested and placed under heavy bond, and more arrests will follow. Public sympathy is with Rogers, and his persecutors will be punished.

Another telegram from Coeburn says: Reports of the affair are very much exaggerated. No bones were broken, and no blood drawn even. The man was able to get up next day, but knowing the extent of his crime, and fearing he might get another whipping, he played "possum" to get the sympathies of the people.

Another Account of the Affair. LOCKIST LANE, July 19.—Special.—A report has just reached here of a terrible beating that a boot and shoe drummer received at Coeburn, Va., several miles from here, for attempting to assault the little eight-year-old daughter of the depot agent.

The drummer was literally beaten into the dirt, and his shoulder was dislocated by the licking he received. The man's life is nearly despaired of. The drummer protested his innocence every time he could get a chance to speak, and claims that the hitting was done by a mob of twelve or fifteen men.

We attention to glaring errors in Mr. Cary's do not want the public to be misled. He credits seven counties with sixteen delegates more than they are entitled to. He makes two of Pulaski that belong to Major Tyler. He claims Southampton, New Kent, Northumberland and Lancaster sold for O'Ferrall, when it is known that they did not attend at all. His instructions will be attended to at the convention. The others positively voted down Wythe's vote to Major Kent, when it is known that he is not a candidate. He refuses to give a list of all the delegates in Rappahannock and Botetourt, and claims all in Clarke for Colonel O'Ferrall. He claims eleven in Lee for Colonel O'Ferrall, when it is known the delegation stand thirteen for Tyler and three for O'Ferrall. He puts down thirteen in Amherst as doubtful, when it is known the county is sold for Tyler. We will not stop to call attention to errors in Prince Edward, Campbell, Charlotte, Franklin, Smyth and Warren counties. Whoever heard of Henry and Franklin being considered in the South-west? Major Tyler has positively 198 delegates, 24 are conceded Colonel O'Ferrall, Colonel Cary had twenty-five and there are thirty-five doubtful. HUGH C. PRESTON.

A Preposterous Narrative. WASHINGTON, D. C., July 19.—By—any doubt may have existed in the mind of the Acting Secretary of the Navy as to the probability of the story that the U. S. steamer Mohican was fired upon and disabled by the Alexandria is now at rest. All the latest versions of the preposterous narrative are being fixed in the date of the alleged engagement as May 27th. The records of the Navy Department show that the Mohican was at Port Townsend as late as May 27th, and did not leave for China Sea until some time after that date.

PORT TOWNSEND, WASH., July 19.—It is now known that the story of the United States steamer Mohican having fired at the steamer poacher Alexander and being disabled by a return fire is a canard. The story was first started by correspondents of Seattle papers, who practically admit that there was no foundation for it.
