of the city of Petersburg next Friday...

to consider the matter of building a...

new bridge across the Appomattox river...

where Campbell's bridge now stands.

This latter bridge is in a very bad...

RACING FOR ICE CREAM.

FOUR FLEETFOOTED YOUNG MEN MEET IN GRACIO-ROMAN STYLE.

Mr. C. P. Rucker Wins a Race From Mr. Urquhart, While Mr. D. H. Rucker Captures the Laurels Over Mr. Richardson.

The Exposition grounds were the scene...

of two of the most exciting foot races...

which have taken place in this city for...

many a day, last night about 10 o'clock...

when the moon looked down upon four...

fleet-footed young men, each struggling...

for laurels in the shape of ice cream...

and cake. For some time there has been...

a lively discussion between Mr. C. P. Rucker...

and Mr. W. S. Urquhart, two well known...

young men of this city, as to which could...

cover a half mile course in the shortest...

time. Mr. Rucker has an enviable record...

as runner, and opinion was divided among...

the ladies and gentlemen who went out...

last evening to witness the contest. Messrs. D. H. Rucker and...

Daniel Richardson, two swift footed young...

men, also had a similar discussion, and...

each claimed the ability to beat the other...

in a foot race. Mr. Richardson is recognized...

as a very fast man on his feet, while...

Mr. Rucker had taken the college medal...

in this sport. On the race course, it was...

decided to meet on the Exposition grounds...

last night, and decide the matter in a...

practical way. Quite a party of the friends...

of each were on the grounds by 9:30 o'clock...

and the race was on. Mr. Rucker was...

present. It was decided in the first race...

of one-half a mile between Messrs. C. P. Rucker...

and W. S. Urquhart that the lower...
