AN EXPOSITION FOR RICHMOND.

The Travelling Men of Post A, Open the Subject.

PROPOSED TO HOLD IT IN 1901.

A Committee Appointed to Confer with the Chamber of Commerce-National Secretary Louis T. Le Baume in Richmond.

Members of Post A, being always alive to the interests of Richmond, last night opened a discussion along the line of having in Richmond in 1901 an exposition of the products of Southern manufactures.

Mr. James H. Capers, Jr., called the attention of the post to an important matter, which was promptly referred to the Railroad Committee.

NATIONAL SECRETARY PRESENT.

Mr. Louis T. Le Baume, national secretary of the T. P. A. of A. St. Louis, Mo., being present was introduced to the members present and made a short address, stating that the association was in a very prosperous condition, financially and numerically, notwithstanding more claims were paid than in previous years and that 200 new members had been taken in since January 1st.

Mr. William Bethune, chairman of the State Hotel Committee, reported effective work in the hotel line, through members of the association from various parts of the country, who are looking after the interest of the hotels, furnishing accommodations commensurate with the prices charged per day.

It was decided to furnish the chairman with a book, in which he would record the names of the hotels favorably and unfavorably reported to him, for the benefit of the fraternity.

THE PRESS KIND.

Mr. John B. Culpeper, chairman of the Press Committee, reported that the papers had been very kind and considerate in making mention in their columns of all matter pertaining to the T. P. A., and of general interest to the travelling men.

Mr. J. H. Warden, chairman of the Railroad Committee, gave a general outline of the work before him, with the understanding that a tabulated statement of his work would be furnished the post and duly recorded.

Messrs. Warden, Clarke and King were appointed a committee to look into the matter of furnishing a plan for the rooms, and report at the next meeting.

A suggestion was made to offer prizes to successful contestants in games of whist, chess, &c.

In a letter received from the South today from Mr. C. Walton Saunders, president of the State Division, he requested his inability to do active work between now and assembling of the national convention at Louisville, Ky., May 15th.

Messrs. Jefferson Wallace and E. W. Evans, two worthy members of Post A, were present, and Mr. Wallace made an address, advocating the suggestion of the Exposition.

The secretary has just prepared for the mail many new applications to be forwarded to the national headquarters at St. Louis.

HONEST LEWSBOY FOUND THE MONEY

Walter Deitrick Picks Up Mr. Lessendery's Lost Wages.

DEATH OF MRS. MARY BINNS.

Mills to Start Up in Manchester at an Early Date—Mr. W. S. Radcliffe, of Petersburg, General Manager.

Manchester Bureau, Richmond Times, 1112 Hull Street, Beattie Block.

Mr. H. J. Lessendery, an employe at the Southern shops, who lives on west Tenth street, received his salary Friday, and in going to his home he dropped part of it, amounting to \$25, on the street.

Mr. Lessendery did not know of his loss until he reached his home, and then the startling discovery was made. Mr. Lessendery is not a wealthy man, and the loss of \$25 cuts considerable figure with him.

A bright little fellow, named Walter Deitrick, a newsboy, in delivering his papers, found the money on Tenth street, just where Mr. Lessendery had dropped it. The lad took the money to his mother for safe keeping, and soon learned of Mr. Lessendery's loss.

The boy went to that gentleman and told him that he had found the money, and it was turned over to him by Mrs. Deitrick.

The boy refused to accept a reward for his services in the recovery of the money, and was just as happy as could be at having found the money for Mr. Lessendery.

As has been already stated in the Times the consolidated plant known as the "United Cotton Mills," embracing the two large cotton factories in this city—the Marshall Mills and the Old Dominion Mills—will start in operation within a very short while.

The Marshall Mills will start the latter part of next week, and the Old Dominion will begin work just as soon as the machinery can be set and the building thoroughly cleaned.

About 600 operatives, including men, women and children, will be given employment, and the opening of the mills will be a big thing for Manchester and Richmond.

COMMON SENSE CURE. PYRAMID PILE CURE CURES PILES PERMANENTLY BY CURING THE CAUSE.

Remarkable Remedy Which is Bringing Comfort to Thousands of Sufferers.

Probably half the people who see this article suffer from piles. It is one of the commonest diseases and one of the most annoying. People do not get it until it is too late because it is not immediately fatal if they neglect it. Carelessness causes no end of suffering. Carelessness about so simple a thing as piles has often caused death. Hemorrhages occur from no apparent cause and loss of blood causes death. Hemorrhages occur during surgical treatment, often causing death.

Piles are simple in the beginning and easily cured. They can be cured even in the worst stages. Without pain or loss of blood, quickly, surely and completely. There is only one remedy that will do it—Pyramid Pile Cure.

It attacks the inflammation immediately, heals the irritated surface and with continued treatment reduces the swelling and puts the membranes into good, sound, healthy condition. The cure is thorough and permanent.

Here are some voluntary and unsolicited testimonials we have lately received:

ARMY POST FOR NORTH CAROLINA.

Senator Pritchard Endeavoring to Secure One for Raleigh.

WASHINGTON, Jan. 21.—Special—Senator Pritchard is endeavoring to secure a military post for Raleigh and to-day introduced a bill to that end. The bill provides that the government shall secure not less than 600 acres of land nor more than 2,000 acres, to the approval of the commanding general of the army. The requirement is inserted that the post shall be within ten miles of Raleigh. The bill carries an appropriation of \$100,000.

Senator Pritchard thinks he may secure the post if the army reorganization bill passes. It is understood that General Miles is favorable to the project.

AN OLD NOTE.

The Treasury of the United States has received for redemption from New York a \$10 Treasury note of the issue under the act of February 24, 1855. The note was issued March 26th, of the same year and was one of an issue of \$5,000,000. The last one of the issue redeemed was taken up in 1882. The note was the work of Murray, Draper, Fairman & Co. and from the standpoint of to-day appears somewhat curious. It is about two-thirds the size of the silver certificates of to-day and has no printing or ornamentation on the back. In the corner is the eagle with outstretched wings and carrying a banner bearing the words: "E Pluribus Unum."

A provision of the law under which this note was issued was that the officer authorized to sign them should receive therefor seventy-five cents per hundred notes. All notes for amounts under \$10 were to be payable to bearer and non-interest bearing. Those over \$10 were payable to individuals but were negotiable and bore interest at the rate of 5 1/2 per cent. per annum.

Fourth-class postmasters were appointed to-day as follows:

North Carolina—Amherst, Martin county, Ashley D. Mizell; Averaohs, Harnett county, Maggie D. Parker; Elmer, Yancey county, Jackson Sparks; Nicholson's Mills, Iredell county, Abraham H. Rowley; Ruff, Wake county, W. S. Spencer; Tuscola, Haywood county, Rufus C. Long; Wolfville, Union county, William T. Clark.

ARMY DISCHARGES.

Private James S. Boyer, of Roanoke, Va., Hospital Corps, Second Division, Seventh Army Corps, now at Havana, has been granted a discharge.

These discharges have been confirmed: December 25—Private Joseph P. Kahn, Company D, Fourth Virginia Infantry; November 29—Private Royk, Company I, Second North Carolina Infantry.

Marriage Banns were issued to-day to W. V. Vaughan and Miss J. E. W. Gordon, of Richmond, and to Miss Blanche Jones of Alexandria. The brides in both cases were under age.

Mr. J. Craig Havemeyer, of New York, and Mrs. Adah Bryant, of Burr Hill, Va., were married here yesterday by the Rev. Byron Suterland.

WIZZARD OF THE PIANO.

Moriz Rosenthal to Appear Here on February 28th.

That Paderewski has a close rival in this country has been clearly shown in the remarkable demonstrations that have been witnessed at Rosenthal's recitals in New York, since his arrival in this city.

The New York Sun, which is not wont to gush, said of Rosenthal's first recital in this country a few weeks ago:

"Without orchestral help or hindrance, Moriz Rosenthal yesterday afternoon gave an undisturbed recital in his colossal statements as a piano player. This man, whose personality fairly exhales power, is a living embodiment of what man can accomplish in the way of sublimating the impossible into the realizable."

It needs a paradox to express the situation as it is borne in upon the average perception."

Rosenthal, "the Wizard of the piano," will give one concert at the Academy of Music on the night of February 28th. There he will demonstrate the extreme possibilities, in some respects, of piano playing. The list of adjectives used by the New York critic in an effort to characterize the wonderful playing of this master technician has been exhausted. "Amazing," "astounding," "bewildering," "incredible," "marvelous," "stupendous," "prodigious," they have used in writing of the four recitals and two orchestral concerts given on Manhattan Island.

An eminent critic wrote of Rosenthal's last concert:

"I should say after hearing this new prodigy of New York's music-mad population, that Rosenthal had about six hands, with an allotment of about sixteen fingers to each of them. Shut your eyes while Rosenthal is playing and you are convinced that what he is doing would be impossible to a man with less than ninety fingers!"

Candilly. I do not think you can afford to miss Rosenthal—but take your opera glass along."

First choice of seats for this event can be secured by subscribing to box seats at Messrs. Walter D. Moses & Co's store.

TUMOR EXPELLED. Unqualified Success of Lydia E. Pinkham's Vegetable Compound.

Mrs. ELIZABETH WHELOCK, Magnolia, Iowa, in the following letter describes her recovery from a very critical condition:

"DEAR MRS. PINKHAM—I have been taking your Vegetable Compound, and am now ready to sound its praises. It has done wonders for me in relieving me of a tumor. My health has been poor for three years. Change of life was working upon me. I was very much bloated and was a burden to myself. I was troubled with smothering spells, also palpitation of the heart and that bearing-down feeling, and could not be on my feet much. I was growing worse all the time, until I took your medicine. After taking three boxes of Lydia E. Pinkham's Vegetable Compound Lozenges, the tumor passed from me. My health has been better ever since, can now walk quite a distance and am troubled no more with palpitation of the heart or bloating. I recommend your medicine to all sufferers from female troubles."

It is hardly reasonable to suppose that any one can doubt the efficiency of Mrs. Pinkham's methods and medicine in the face of the tremendous volume of testimony.

There was no excitement and there were only a few people present.

Zola's Fine.

PARIS, Jan. 21.—There was another sale of the furniture of M. Zola, the author, here to-day, for the purpose of defraying the 200 franc costs resulting from the libel trial. His friends offered to settle the matter but the magistrate refused to allow them to do so. The first lot offered was a looking glass. It was bought by M. Zola's publisher, M. Fasquelle, for the full amount of the claim.

There was no excitement and there were only a few people present.
