

LAST MONTH A RECORD BREAKER.

Business Was Larger Than Ever Before Known in February.

WAGES HAVE ALSO ADVANCED.

Iron and Steel Products Show Increased Demand and Higher Prices.

NEW YORK, March 2.—E. G. Dun & Co., Weekly Review of Trade will say to-morrow:

The business of the past month was far the greatest ever known in February.

In all the years of weekly commercial reporting there has been no other week in which the reports from all parts of the country have been so unanimous.

The volume of business in February, while showing broader horizons than in January, was largely exceptional.

A rather unusual number of large failures in scattered branches of manufacturing has weakened the aggregate manufacturing output.

Especially do men grow weak in spring season, and every one needs a spring medicine.

WHY MEN GROW WEAK.

Dr. Greene's Nervura Makes Men Healthy, Strong, Vigorous, Powerful.

"It indeed the pace which kills. It is not work which injures, it is over-work, worry, confinement, over-taxing the strength, strain upon nerve and body, dissipation or spring debility which breaks down the health, weakens the nerves, exhausts the body.

Now, what is the remedy? Obviously something which will rebuild the shattered nerves, restore tone and vitality to the blood, brain and nerves, and strengthen and invigorate all the organs of the body.

RECALLED TO LIFE.

Warner's Safe Cure Gives Mr. Vansett Better Health Than Ever.

"I secretly feared that I was losing my mind." The man who uttered these words is a respected citizen of Philadelphia, who has passed through about as much bodily pain and mental torture as a man can endure and still live.

"Ten years ago," he says, "I had a complication of diseases that puzzled the doctors, and matters were made worse by worry over my business. When I got out of bed, I was so shaky that only by the use of stimulants could I keep on my feet. My head ached continually; my appetite was gone, and nothing tasted right.

"I had not dared to tell my wife. I had read accounts of Bright's disease being overcome by Warner's Safe Cure, and determined to try this remedy as a last resort. Unknown to my family, I began taking it, and soon realized its good effect. To make a long story short, it made me well, and in six months I looked and felt like another man. The thanks to Warner's Safe Cure, my old age is healthier than my youth."

This is a typical case of Bright's disease described with great force and clearness. Mr. Vansett's fear of madness was well grounded. The weak kidneys did not take blood from the blood, and every hour the poison in the blood was increasing. Every time a beat of the heart pumped blood to the brain, that wonderful organ was poisoned.

What a relief it is to know that you have turned your back on sickness and danger! And what a blessing is Warner's Safe Cure, which will enable you to do so.
