MANCHESTER'S CITY COUNCIL.

An Ordinance of Great Importance Before Them.

PROPOSED TO BRING IN CAPITAL.

Referred to the Committee on Ordinances for an Early Report—Want All Cars to Run Over the Free Bridge.

Manchester Bureau, Richmond Times, 1112 Hull street, Beattie Block.

What was expected to have been a long session of the City Council last night turned out to be a very short one. Very little more than routine business was transacted.

After the reports of the committees had been received, and the committees had been complimented by the president for their promptness in making the reports, an ordinance of great importance was read, after which it was referred to the Committee on Ordinances for a report at a special session of the Council to be called by the president.

The primary purpose of the proposed ordinance is to induce manufacturers and others to locate in Manchester, and the ordinance spread special inducements before them.

THE PROPOSED ORDINANCE.

It is entitled an ordinance to amend and re-ordain an ordinance entitled "an ordinance requiring merchants, mercantile firms and corporations conducting wholesale business in this city to obtain license therefor and imposing taxes on said licenses," adopted May 8, 1896, and imposing license taxes on manufacturers.

The old ordinance in the new is amended in that "every merchant, mercantile firm or corporation conducting in this city a wholesale business exclusively, or the business of manufacture of products for sale to others, shall be required to obtain licenses therefor in the manner provided by the city ordinances for other city licenses, and shall pay an annual license tax for such privilege, which tax shall be graduated according to the amount of purchases, as follows:

"Where purchases shall not exceed $1000, the amount shall be $5; not to exceed $2,000, $10; all over $2,000 and less than $50,000, 20 cents on the hundred dollars in addition to the $10; over $50,000 and less than $75,000, 20 cents on every $100 in additional on the amount in excess of $50,000; over $75,000 and less than $100,000, 15 cents on every $100 additional on the amount in excess of $75,000; over $100,000 and less than $150,000, 10 cents on every $100 additional on the amount in excess of $100,000; over $150,000, and less than $200,000, 7 1-2 cents on every $100 additional on the amount in excess of $150,000; $200,000 or more, 5 cents on every $100 in additional on the amount in excess of $200,000."

IN LIEU OF OTHER TAXES.

The license imposed under and by virtue of this ordinance shall be in lieu of all taxes for city purposes on the capital actually employed in said business, which capital shall not be construed to include any real estate used in said business.

The fiscal year for such licenses and taxes shall commence on May 1st. In the case of beginners the amount of license shall be based upon the probable amount of purchases for the license year for which the license is taken out, and the amount shall be pro rata according to time at which the license is taken.

The ordinance was referred to the Ordinance Committee for consideration, and President O'Brien intimated that he would call a special session of the body within ten days.

The ordinance will probably be adopted and become a law before the first of May.

Those present at the meeting were President O'Brien, Messrs. Abbott, Bradley, Hart, Jones, Nunnally, Morton, Putram, Pool and Randlett.

STREET CAR SCHEDULE.

A letter was read to the City Council from Stephen Putney & Co. in reference to the running of cars over Mayo's bridge. The communication stated that upon inquiry the writers had become satisfied that the public of Manchester were favorable to the continuance of the schedule that prevailed across the Free bridge, while Mayo's bridge was being repaired, and asked the Council to take some steps in the matter.

On motion of Mr. Abbott the communication was tabled.

POLICE MATTERS.

Edgar Robinson, a burly colored driver, was before Mayor Maurice yesterday on the charge of cruelly beating a mule. The evidence was conclusive to the presiding genius, who promptly assessed Edgar the sum of $10, which was added to the city's exchequer.

Nothing new has developed in the alleged case of infanticide against the colored woman Mary Bailey, who is now confined in jail awaiting action by the grand jury. The premises upon which she lived have been thoroughly searched, but the body of the infant has not been found. It is thought that she had an accomplice.

The splendid work of the police in Manchester is the subject of general comment. Lawlessness is kept down to a low point, and when law-breakers are arrested they are promptly dealt with according to the merits of their cases. Breaches of the peace are of infrequent occurrence, and the criminal class is rapidly disappearing and seeking pastures new.

For a city of 16,000 people Manchester is a model in that the safety of property and people is insured by the excellent work of the police.

A commission of lunacy was held Thursday at the city jail over Barnett Rose, colored, by Squire W. D. Lithgow, Messrs. George J. Carr and John W. Caudle. They decided that he was a lunatic and he will be sent to the asylum.

SWANSBORO'S CAR SERVICE.

Judge Clopton, sitting in chambers, will hear complaints from the citizens of Swansboro in reference to the irregular running of electric cars through that town and the railway people will, also, be given an opportunity to say something. The hearing will be in the office of Cogoill & Wells, in the Leader building, at 11 o'clock this morning.

The funeral of the late R. O. Dickerson took place from Stockton-Street Baptist church at 2 o'clock yesterday afternoon, and the interment was in Maury cemetery.

The pall-bearers were Messrs. S. P. Jones, Sydney Reams, W. B. Pleasants, H. W. Puckett, A. P. Angle, Charles Pettit, Harry Tennell, and Howard McGee.

The deceased leaves his mother and three sisters, Mrs. J. T. Abbott, Mrs. J. A. Reams and Miss Clara Dickerson, all of Manchester.

PERSONAL AND NOTES.

Mr. Samuel Wicks expects to leave in a few days to accept a very lucrative position in the iron works at Salisbury, N. C. His many friends are very loth to see him leave the city. He expects, however, not to take his family with him at present.

The street cars are running to the city limits now. The Brooking long distance transfer car is now running down to that point.

It was Mr. J. R. Moody, not Mr. Elbert Moody, who had the little trouble with the tramp at Clopton station several nights ago.

The valuable hotel property at Chesterfield Courthouse is to be sold at auction by Augustine Royall next Monday.

Miss Fanny Wells, of Farmville, Va., is visiting her friend, Miss Berdie Cox, 1305 Hairbridge street.

Mrs. S. A. Morrissette, sister of Councilman Bradley, is very sick at her residence, on Porter street.

QUILL DRIVERS BANQUETTED

Charlottesville Gives the New England Newspaper Men a Welcome.

CHARLOTTESVILLE, VA., March 10.—Special.—The New England League arrived in Charlottesville, over the Southern Railway, from Danville, this evening at 5:28, in their special car attached to train No. 36.

The League was met at the depot by a special committee composed of members of the City Council, Chamber of Commerce, and Faculty of the University of Virginia. They were escorted to Hotel Clarens, where at 8 o'clock P. M. they were banqueted. Besides the visitors, there were present the mayor and Council, Chamber of Commerce, a number of the University faculty and many of the leading business men of the city.

Hon. Thomas J. Sumner Abbitt, mayor of the city, presided and welcomed the visitors on behalf of the city. His address was brief, but full of humor and good-will, and was received by the "pencil-shovers" with much applause.

Following the mayor, Dr. Hugh T. Nelson, the toast-master, spoke at length of our unrivaled and as yet hidden and undeveloped resources.

Dr. P. B. Barringer, chairman of the faculty, spoke on behalf of the University of Virginia.

These addresses were responded to by members of the League, prominent among whom were Messrs. C. F. King, Frank Davidson and others, all of whom made happy and enjoyable talks.

The evening passed off most pleasantly, and the event was one of the most enjoyable which has occurred in our city for many days. Even at this stage the visitors seem to be highly pleased with their visit.

To-morrow will be the big day for the "pencil-shovers," as they will visit various points of interest about the city.

POLITICS IN CLARKE.

Colonel Smith Withdraws from the Senatorial Race—Officer Resigns.

BERRYVILLE, VA., March 10.—Special.—Ex-Mayor Blackburn Smith, of Berryville, has come out in a card stating that he will not be a candidate for the Democratic nomination for the State Senate from the Twelfth senatorial district. Mr. Smith says in part: "The statute governing the holding of primaries and conventions in the Twelfth senatorial district, makes it doubtful whether the contest could be legally ended in less than seven or eight months. Again, any dissension in the ranks of our county democracy, no matter how small, threatens the loss of the position to the county. Added to the above personal matters over which I have no control make it impossible for me to make the necessary canvass." Mr. Smith's withdrawal leaves only one candidate in the field now for the nomination—Thomas D. Gold, chairman of the Clarke County Democratic Executive Committee.

D. B. Morrison sent in his resignation as Chief of Police of Berryville, which was accepted by the town council and George C. Rionmore appointed to fill the vacancy.

The high winds that prevailed here this week blew over the barn situated on the farm of Henry Williams, killing two cows.

Dr. Edward McGuire, of Richmond, spent several days this week with his mother, Mrs. Nancy McGuire, of this place.

ON THE RAPPAHANNOCK.

Land Sales in Spotsylvania—Dr. Dill Accepts—An Approaching Marriage.

FREDERICKSBURG, VA., March 10.—Special.—Mr. L. J. Graves has purchased from Mr. R. R. Powell a tract of land in this county, near Belmont, at $18 per acre. Mr. R. V. Graves, of the same neighborhood, bought from Mr. H. C. Burruss a smaller tract at $11 per acre.

Rev. Dr. J. S. Dill, of Richmond, has accepted the call tendered him by the Baptist church of this city, and will move here and assume his duties about April 1st.

Cards are out for the marriage of Mr. Thomas Jackson, of Machodoc, and Miss Ethel Sandy, of Montross, the ceremony to take place in the Methodist church at Montross, April 4th.

There is great scarcity of provender in many localities through this section, and the advent of spring will be welcomed by the stockraisers.

MR. BISHOP'S BODY HAS BEEN FOUND.

Covered With Snow Within Three Hundred Yards of Home.

HE HAD AN APOPLECTIC STROKE.

He Was Well-Known Throughout the South, Having Been Connected With Virginia's Best-Known Summer Resorts.

MINERAL CITY, VA., March 10.—Special.—After a long and weary search since Monday last, the body of Mr. W. B. Bishop was found to-day about three hundred yards from the station. All circumstances point to the fact that he was returning from his usual morning walk to dinner, at which time he was taken with an apoplectic stroke, falling face downward a few steps from a well-known path.

IN THE SNOW.

He was found in the same position that he had fallen, and his body was partly covered with snow, not having been disturbed.

It will be remembered that this was the second apoplectic stroke, the first one being about two years ago, from which he had partially recovered.

A WELL-KNOWN MAN.

Mr. Bishop was seventy-one years old, and up to his first attack of paralysis had been an active hotel man, having been proprietor of the Spotswood Hotel, Richmond, Va.; also of the Healing Springs for several seasons, and for a long time bookkeeper and business manager at the Warm Springs, in Bath county, Va.

OLD VIRGINIA GENTLEMAN.

Mr. Bishop was widely known throughout the South, and was of the truest type of an old Virginia gentleman. All who knew him loved him for his gentle manners and winning ways. Whether at the springs every want was made known to Mr. Bishop, and no one was ever turned away without satisfaction. He will be buried here this evening at 5:30.

He leaves six sons and two daughters—W. S. Bishop, of Richmond, Va.; four sons in Texas; W. L. Bishop, of Mineral City, and Mrs. Hughes, of Norfolk, and Mrs. Arthur Gray, of Richmond, Va.

LYNCHBURG NEWS.

Work on the Street Railway to Begin. Bank Cases to be Tried.

LYNCHBURG, VA., March 10.—Special. Work will begin to-morrow morning on the reconstruction of the street railroad of the Lynchburg Electric Company to cost seventy thousand dollars. A large force of hands will be employed. The work of building the fifteen thousand dollar extension of the Rivermont Street Railroad is being pushed rapidly to completion.

The most important case to be tried in the term of the United States District Court which begins here next Tuesday is that of T. D. Berry and Chas. L. Mosby, who are charged with irregularities in connection with the defunct First National Bank of Bedford City.

Several cases oof smallpox are at Concord, twelve miles east of Lynchburg. The Board of Health has taken stringent measures to protect the city.
