Good health, inwardly, of the kidneys, liver and bowels, is sure to come if Hood's Sarsaparilla is promptly used.

This secures a fair outside, and a consequent vigor in the frame, with the glow of health on the cheek, good appetite, perfect digestion, pure blood.

Catarh—"I have had no return of the catarh which troubled me for years, since Hood's Sarsaparilla cured me."

Dyspepsia—"Complicated with liver and kidney trouble, I suffered for years with dyspepsia, with severe pains. Hood's Sarsaparilla made me strong and hearty."

Hood's Pills cure liver, bile, the most irritating and only cathartic to take with Hood's Sarsaparilla.

Mrs. Pinkham's Advice Saved Mrs. Hayes From an Operation.

"DEAR MRS. PINKHAM—Words cannot express my thanks to you for your kind advice to me in regard to my health, I had been running down in health for about seven years.

I had doctored with good doctors and taken a great many patent medicines. My trouble began when my first child was born.

I had a very hard time and after its birth would have severe flooding spells.

"After my second child I had very good health until last winter when I again became pregnant and suffered very much and miscarried. I came very near dying, and the doctor said I must have an operation, which frightened me very much, and concluded to write to you for your advice, and take your medicine.

Was troubled with the whites, great pain in back and hips, sometimes when lying down or sitting was unable to get up.

Would have such pain in groins could hardly walk. "I can say I have never seen anything so wonderful as Lydia E. Pinkham's Vegetable Compound and Sanative Wash. Your remedies have done wonders for me.

Hoping that many of my suffering sisters may be led to take your medicine from reading this letter, I remain, sincerely yours, MRS. MARY HAYES, HARDINGBURG, KY."

Letters like the foregoing should convince everyone that Mrs. Pinkham's advice is certain help.

ANNAPOLIS, MD., May 27.—The crew of Yale's eight-oared shell outwitted the Cadets over a two-mile straightway course and crossed the line 11 1/2 seconds ahead of the Middlers.

The crews got away together. The superior weight of the Yale crew was apparent from the start. The training of the New Haven boys, however, soon demonstrated their superiority and the visitors steadily increased their lead to the finish.

Yale crossed the line in ten minutes and twenty seconds, with the Cadets several lengths astern.

GERMAN EVANGELICAL SYNOD. It Will Convene in This City During the Coming Week.

The Atlantic District of the German Evangelical Synod of North America will convene in St. John's German Evangelical church on Eighth and Marshall streets, in this city, on next Wednesday evening.

The convention will be attended by the pastor and one lay delegate from each church that belongs to the synod, which comprises the section of country south of Troy and Albany, New York, and east of the Alleghenies.

There will be about forty pastors and thirty-six lay delegates in attendance, who will be assigned to homes in the families of the members of St. John's church.

The Council of that church met Friday evening and decided to give the delegates an excursion to Lakeside Park, probably next Saturday. Business meetings will be held every morning and afternoon, and the following Monday, when the convention will adjourn. Religious services will be held every evening while the sessions continue.

Charged With Theft. Sergeant Matthews, of the First police district, last night arrested Emmett Miller (colored) on the charge of stealing \$25 from a white man named Charles McCauley.

BANASTER WON THE BROOKLYN.

The Favorite, Elligrane, Got no Closer Than Third.

SECOND MONEY FOR LANKY BOB.

Twenty-Five Thousand People Saw the Great Handicap, the Weather Being Perfect—Banaster Walked Home Under a Pull.

NEW YORK, May 27.—The thirteenth running of the Brooklyn Handicap was an upset, but not so great as it has been in some other years, when a rank outsider was the winner, for in spite of the good work done by Banaster, and the fact that in his races this spring, he was not so much fancied as he should have been, and he won alone.

Lanky Bob was second, and the favorite, Elligrane, could do no better than third. The weather being perfect, a great crowd to the track. It is safe to say that 25,000 people applauded the horses on the way to the post.

They maneuvered half an hour, and made five breaks before getting away. The favorite, Elligrane, and George Keen sprang to the front, and passed the grandstand a length in front of Banaster, on whom Maher was holding an iron hand.

Around the turn Banaster, at George Keen's flank, while Elligrane made the upper turn; the flying squadrons well ahead of the field. Then Maher's voice like a grip released, and Banaster, feeling his freedom, shot to the front like a torpedo-boat through a fleet of colliers.

He was six lengths to the good before the two leaders knew he had started. He walked home under a pull, and Lanky Bob beat Elligrane for second money.

SUMMARY. First race—six furlongs—Armsament (7 to 1) first, Corumart (7 to 1) and 5 to 2 second, Dr. Parker (9 to 1) third. Time, 1:54.

CATARRH OF THE STOMACH.

Dr. Hartman, of Columbus, O., writes the following to Dr. Harman in regard to Pe-ru-na: "It affords me great pleasure to testify to the curative merits of your medicine, Pe-ru-na is a well-acted and widely used remedy. Especially as a specific for catarrh of the stomach it cannot be excelled. Pe-ru-na will do all that is claimed for it."

These patients complain of lassitude, all-tired-out feelings, their blood becomes thin, nervous system deranged, food seems to do them no good, continue increasing weakness. The unhappy victim wonders why he should be so weak, why his food gives him no strength, why his blood should be so thin.

But in catarrh of the stomach, as well as in catarrh of any other part of the body, Pe-ru-na is the remedy. As it has often been said, if Pe-ru-na will cure catarrh of one part, it will cure catarrh of any other part of the body. Catarrh is catarrh wherever located, and the remedy that will cure it anywhere will cure it everywhere.

NEW YORK, May 27.—The inter-collegiate games on track and field which were completed this afternoon at Manhattan field were highly successful and the championship honors remain in Pennsylvania blue and red winning 9 of the 12 events.

In Kraenzlein, the Quakers have a wonderful athlete, who simply rolled over the high and low hurdles and won easily in each event. He clipped one-fourth of a second of the intercollegiate record, made by himself, but even this splendid exhibition was outshined by his personal record in the running broad jump. In this event he established a world's record of 21 feet 4 1/2 inches.

WONDERFUL SPRINTING. J. W. B. Tewkesbury from the same college asserted the superiority in foot races, while he did not go within three-fifths of a second of Welter's record he outshined all the other contestants just as handily as did the Georgetown fly in former years.

This just beats the intercollegiate record, which was 49 1/2 seconds.
