Kezell Named by Acclamation in Rockingham For the Senate.

THE ACTION TAKEN AT BERRYVILLE.

Nominations Made for Both the House and the Senate—All Three of These Conventions Instructed Their Candidates for Martin—Pittsylvania's Primary Insures the Election of Martin Men from That County to Senate and House—Gallaher, a Tyler Man, Re-nominated for the House in Prince William County.

Rockingham Convention Names Him by Acclamation—Martin Endorsed.
HARRISBURG, VA., Aug. 19.—Special.—The Democratic County Convention to nominate candidates for the Senate and House of Delegates met here this morning at 10 o'clock in the County Court house, and one senator, those meetings settled the contest, so far as the senatorial fight is concerned, and Martin swept the county. In most of the district meetings the delegates to the county convention were instructed to vote only for Martin men for the Legislature. Eighty-one delegates out of one hundred and fifteen were so instructed. The others are uninstructed, but are for Martin.

PRINCE EDWARD'S VOTE.
Martin Will Have Twelve to Tyler's Two in the Conventions.
FARMVILLE, VA., Aug. 19.—Special.—The precincts of Prince Edward today were the scene of two important county and senatorial conventions. Judge A. D. Watkins for State Senator, and J. J. Owen for Legislature, had no opposition.

ISLE OF WIGHT PRIMARY.
Tyler Men Show Little Interest and Claim That Voting is Useless.
NORFOLK, VA., Aug. 19.—Special.—A vote-taking was held at night in the Isle of Wight county in the primary held there today. The news from Isle of Wight county was to the effect that up to noon but nine votes were cast and the remainder of the day the votes had been cast. At Smithfield the report stated general apathy was shown by voters. This was said to be due to the general belief that the Martin faction would manipulate returns to suit themselves, and it would make little difference how men voted when the result was ultimately announced.

AUGUSTA POLITICS.
Date Fixed for Stanton Ward Meetings—The County for Tyler.
STANTON, VA., Aug. 19.—Special.—The City and County Democratic Committee held a meeting today, and Saturday, September 16, was fixed for district and ward meetings to elect delegates to the convention to be held in Stanton, September 16th. The meeting was harmonious throughout.

PRINCE WILLIAM FOR TYLER.
G. G. Gallaher Renominated for the House by Three Hundred.
MANASSAS, VA., Aug. 19.—Special.—The Democratic primary election held in this county today to nominate a candidate for the Virginia House of Delegates passed off quietly.

PENINSULA POLITICS.
Gardiner Tyler Apparently in Lead for Senate—The House Fight.
WILLIAMSBURG, VA., Aug. 19.—Special.—The City Democratic Executive Committee has called a mass meeting at the courthouse Monday night, August 20th, to elect two delegates to the convention which meets here August 21st.

IN SWANSON'S COUNTY.
Indications are That Martin Carries Pittsylvania Decisively.
CHATHAM, VA., Aug. 19.—Special.—Primaries were held in the seven magisterial districts of Pittsylvania county today. In all of them Martin men were elected. In Smithfield, Chatham and Dan River, the largest districts in the county, the delegates were instructed for Joseph Whitehead, of Chatham, for State Senator. They were also instructed to vote for members of the lower House who are favorable to the re-election of Senator Martin. Banker district elected Martin delegates, but it is stated they are unopposed. The other districts, which are small ones have not been heard from.

THE GREAT RACE FOR THE SENATE

Preference of Nominees So Far Chosen.
A CAREFUL ESTIMATE

Based on What is Known Concerning the Attitude of Nominees.

THIRTY-THREE CHOSEN SO FAR
Review of Instructions and Known Preferences of the Nominees Indicates a Decided Majority for the Junior Senator—Gov. Tyler's Friends at East Radford Also Submit Figures.

After the nominations yesterday for the State Senate and House, the total number of nominees is thirty-three senators and twenty-seven delegates. It will at once appear by comparison of this number with the number yet to be placed in nomination that the United States senatorship race is not yet ended. Of course, should the present rate of gain be maintained by the two candidates, the result of a calculation based thereon would forecast the election of Mr. Martin by a decisive majority. But Governor Tyler's friends insist that after August the nominations will result in the choice of a larger percentage of men who favor his election.

THE NOMINATIONS.
Below is published a list of the nominations made up to date. A careful review of the proceedings of the nominating conventions and the issues of primaries permits a fairly accurate statement of the preferences of the nominees touching the senatorial race. An element of doubt has to be considered in cases where nominees are not instructed, or whose attitude has not been made public.

FOR SENATE.
Thomas D. Gold, Clarke, Warren and Page.
S. R. Donohue, Alexandria City, Fairfax and Prince William.
Carrington, Lynchburg City and Campbell county.
W. C. Wain, Lunenburg, Nottoway and Brunswick.

FOR HOUSE OF DELEGATES.
R. G. Southall, Amelia and Nottoway.
Wm. H. Boaz, Albemarle and City of Charlottesville, Isle of Wight, William R. Duke, Albemarle and City of Charlottesville.
Frank Haman, Alexandria city and county.

Bound for the Philippines.
A private letter received here from Mr. Clarence Werner, recently of the city, states that the writer is enjoying martial life as a member of the Twenty-seventh Volunteer Infantry. This regiment, with two others, have been ordered to proceed from Camp Meade, Pa., to San Francisco, whence they will sail for the Philippines.

Victory for the Philippines.
The Times correspondent last night used the following account from East Radford. It will be seen that the figures used do not have reference to the nominations made yesterday or include the nominees. The East Radford special says: "The friends of Governor Tyler are very jubilant over the results so far as claim that they have exceeded their expectations. They point to the fact that Senator Martin's friends are not well posted since they claim twenty-two members of the Senate nominating body managed before the twenty-first of August, and that then they will begin their labors."

CAUCUS THIS WEEK.
It is probable that the caucus of the House nominees to select pages for recommendation to the speaker will be held early this week.
The meeting was to have been held last week, but Colonel George Wayne Anderson, one of the nominees, was ill, and the caucus was postponed.
