Confidence

Women confide their troubles to Mrs. Pinkham and rely upon her advice.

Mrs. Pinkham's counsel is safe counsel. Woman's life is a constant crisis. From girlhood to womanhood, then to motherhood and so on to the perils of the "change of life."

"Your Madeline is a Godsend!" Writes Mrs. Phillips.

"DEAR Mrs. PINKHAM—I want to thank you for what you have done for me. When I wrote to you last June, I was almost a total wreck from female weakness.

"Since taking Lydia E. Pinkham's Vegetable Compound, Liver Pills, and using your Sanative Wash, I do not feel like the same person. I am so glad that I wrote to you, for you have helped me very much.

"I weighed less than one hundred and thirty pounds. I now weigh one hundred and fifty-five pounds. My friends say I look better than they ever saw me, and I know that I feel better than I have for a good many years.

"I think your medicine is a godsend to poor, weak women."—Mrs. Carrie Phillips, Anna, Illinois.

Mrs. J. O. Barnard, Milltown, Washington Co., Va.

"I think it is my duty to express my gratitude and thanks to you for what your medicine has done for me. I was very miserable and losing flesh very fast, had bladder trouble, fluttering pains about the heart and would get so dizzy and suffered with painful menstruation.

"I was reading in a paper about Lydia E. Pinkham's Vegetable Compound, so I wrote to you, and after taking two bottles I felt like a new person. Your Vegetable Compound has entirely cured me and I cannot praise it enough."

"The women of America have in Mrs. Pinkham a confidential friend whose advice is always at their disposal, free of charge. The knowledge that women only assist Mrs. Pinkham in her correspondence with women about health, makes it possible for the full details to be given, without hesitation."

"I think it is my duty to write you what your wonderful medicine has done for me. I suffered with itching of the external parts for six years, and was in misery day and night. I lost flesh and became weak. I tried everything I could think of. My husband wanted me to see a doctor, but I could not consent to that. He then wanted me try your medicine, and this I agreed to do. I took Lydia E. Pinkham's Vegetable Compound, also used the Sanative Wash, and am to-day a changed woman. I am free from my misery, and can go to bed and sleep like a baby. I can work with comfort, and it does not tire me as it did to walk. Your remedies have done wonders for me, and cannot be praised enough. I would not be without them. They cured me of a great affliction, and why should they not cure others? I would advise every suffering woman to give them a trial."
