Warner's Rust-Proof Corsets

are made to a very high standard—none higher.

They are guaranteed to fashionably shape your form, to fit comfortably and to wear, the fabric not to tear, or the boning break or rust.

They are the ideal foundation for the new tailored styles—long lines as in the past season, but with curves and not straight lines, the daintily rounded "feminine" figure.

Security rubber button hose supporters are attached to all Warner's Corsets. They are hose supporters of known quality, standardized, as the corsets are, the metal parts guaranteed not to rust.

JUSTICE DAVID J. BREWER

Died Suddenly In His Washington Home.

SOCIETY MAN HEAD OF GANG OF ROBBERS

Must Answer Charge of Holding Up Couple.

Chicago, March 30.—Orby Hunter a Hyde Park society man, is accused by the police of being the head of a gang of hold-up men who have operated in Hyde Park for the past three months. He will be arraigned before Judge Fry on the charge of highway robbery.

Hunter is now free on bond and laughs at the charge against him. According to Lieutenant McCauley of the Hyde Park station the specific crime with which Hunter is charged is the robbery on Feb. 11 of A. S. Gardner and his wife in the hallway of their home. Gardner and his wife were held up by two men and robbed of $250.

Hunter has been living in the Holland hotel since the family home at 5125 Jefferson avenue was closed last fall, when his mother and his sisters went to southern France for the winter. He is in the real estate business and has offices at 180 La Salle street.

Hunter, according to the police, lived for awhile after the family went to Europe in the Hyde Park Y. M. C. A. He left there, the officers say, after a number of petty thefts had been committed in the building.

P. O. ROBBERS CAPTURED

Men Who Stole $85,000 Worth of Stamps In Richmond Caught.

New York, March 30.—Two men were arrested after a fight and a chase in front of the Grand Central station and were safely locked up at police headquarters in connection with the postoffice robbery at Richmond, Va., early Monday morning, when $85,000 worth of stamps and $3000 cash were taken from two iron safes.

The men arrested are Fred Cunningham, of London, England, and Frank Chester, of St. Paul, Minn. A third man was with the two arrested, but he escaped.

The arrest was made by detectives from police headquarters and postal inspectors. With the men were seized three trunks, one of them containing the tools with which the safes were broken open. Another contained between $85,000 and $90,000 worth of stamps.

The trunks arrived in town by circuitous routes and after many transfers. They were watched all the way from Richmond by postal inspectors and secret service men.

WAS BOUND TO DIE

Man Escapes From Hospital and Committed Suicide.

Newark, N. J., March 30.—Taken from his home at 35 Garden street, where he had attempted his life by inhaling illuminating gas, Frank Weber was removed to the City hospital for treatment, but during the absence of the nurse in the ward he jumped from the window on the first floor, made his way to his butcher shop on the first floor of his house and when found later by orderlies from the hospital was hanging from a meat hook. He was cut down and hurried back to the hospital, but the doctors said he was dead.

Embezzlers Sentenced.

Indianapolis, March 30.—William H. and Noah R. Marker, brothers, cashier and assistant cashier of the First National bank of Tipton, were sentenced to the federal prison at Fort Leavenworth. William Marker was sentenced for ten years and his brother for seven years. The charges were falsifying records, making false statements to the comptroller and embezzling $67,000 of the bank's money.

Visited Mother; Became Insane.

Lexington, Ky., March 30.—Andrew McMullin, aged twenty-eight years, visited his insane mother at the Eastern Kentucky asylum here. Shortly after leaving the institution he became violently insane and it was necessary to incarcerate him in the asylum.
