

## The Monarch of Strength is LION COFFEE.

(ABSOLUTELY PURE.)

Its strength comes from its purity. It is all pure coffee, freshly roasted, and is sold only in one-pound sealed packages. Each package will make 40 cups. The package is sealed at the Mills so that the aroma is never weakened. It has a delicious flavor. Incomparable strength. It is a luxury within the reach of all.

Insist on "Lion" Coffee. Never ground nor sold in bulk. None Genuine without Lion's head.

**If your Grocer** does not have Lion Coffee in his store, send us his name and address that we may send it to him. Do not accept any substitute.

THE LION COFFEE CO., Toledo, Ohio.

**A Foregone Conclusion.**  
"What a tall girl Brigham's daughter has grown to be! She must be six feet at least."  
"Yes, but she's a widgey nice girl and the little fellow that's going to marry her will be a lucky chap."  
"Who is he?"  
"I don't know."  
"But you just spoke of him as a little fellow."  
"Well, being a tall girl, she wouldn't marry any but a little fellow, would she?"—Chicago Daily News.

**An Acquired Talent.**  
"Mr. Mr. Boxer was speakin' about pa's gettin' a medal for the way he fought at Santiago, an' he said pa wasn't a natural born fighter."  
"What else did he say?"  
"He said pa acquired it all since he was married."  
"Well, you just run right over to Mr. Boxer's and tell him I want to see him as quick as he can get here."—Cleveland Leader.

**A Reasonable Suggestion.**  
Now as the prudent family man. For winter make his preparation. He sees 'twould be a floating plan. For folks to have a coal station.  
—L. A. W. Bulletin.

### Some Women Doubt

Many women think the bearing of children is a necessary period of great pain and distress. They doubt whether any medicine can relieve their sufferings. Well may they hesitate about taking those injurious internal mixtures so widely sold. But they may place implicit faith in the following:

**MOTHER'S FRIEND**  
which is a softening, relaxing and soothing liniment for external use. Doubling women should get a bottle at the drug store for \$1, and test it. There is no possibility of its doing harm, and there is every likelihood of its saving them many hours of pain.

### RECLINING Go-Carts

(Patent Applied For.)

A simple push of a rod and the foot-rest rises, the back falls, making a cozy nest for napping—baby does not have to always sit upright as in other go-carts. Changed to any position desired by a push or pull of the rod behind the back. No bending of body or screws to adjust.

Then our Go-Carts are safe. It is just as important to have a safe and comfortable Go-Cart for your child as it would be to have a safe and comfortable carriage for yourself. See that the Go-Cart you buy has our name-plate. **PRICE \$5 AND UPWARDS.**

Some dealers may not handle goods we manufacture, but offer instead something inferior, to make a dollar or two profit. You are entitled to the best there is for your money, and should your dealer not have our goods, or won't get you what you want, you can make your selection at our factory.
