Fon't Go Around Groaning

It is Your Own Fault if You Continue to Suffer.

Why do you go around the house complaining, making yourself and everybody else miserable? It is your own fault if you suffer from Rheumatism, Sciatica, Gout, or other painful troubles that come from bad blood.

RHEUMATISM has been cured after specialists have failed, and I have cured a number of sufferers who spent months at the noted Johns Hopkins Hospital in Baltimore.

GRAPES FRESH ALL WINTER

French Device Preserves Them for the Palate of the Epicure in This Line.

A clever French process by which vine growers in France are able to market fresh outdoor grapes all through the winter is thus described.

There will be rasens in the world just as long as there are fools in it.

Our idea of a true friend is one who sees us only from our own viewpoint.

A Lively Tussle with that old enemy of the race, Constipation, often ends in Appendicitis.

A Scientific Remedy. The cures that stand to its credit make Bucklen's Arnica Salve a scientific wonder.

A liberal dose of printer's ink has kept many a man from making a fool of himself the second time.

If you are troubled with Piles and can't find a cure, try Witch Hazel Salve, it will cure you.

The best safeguard against headache, constipation and liver troubles is De Witt's Little Early Risers.

Physicians say that no exercise is as healthful as walking. This may be true, but it is poor consolation to the man who can't afford an automobile.

One would think the Laxative idea in a cough syrup should have been advanced long before it was.

Indigestion is much of a habit. Don't get the habit. Take a little Kodol Dyspepsia Cure after eating and you will quit belching, puffing, palpitation and frowning.

HAS STOOD THE TEST FOR 25 YEARS The old, original GROVES' Tasteless Chili Tonic.

Dixie Nerve and Bone Liment. Sufferers with rheumatism, neuralgia, sciatica, etc.

There is a lot more fun running in to debt than crawling out.

A woman is awful proud of her husband when he gets in a law suit.

A woman hardly ever has to tell a fib twice to make herself believe it.

SAYS EYE IS KEY TO ILLS.

Many Diseases, Declares Physician, Can Be Laid to Strain on This Organ.

The proposition of a western physician to cure drunkenness by spectacles seems to be simply a variation of Dr. George M. Gould's theory that very many of the physical ills of life are due to eye-strain and may be overcome by correcting this defect.

Mrs. Laura D. Gardner, of 1301 James street, Baltimore, was cured after she had suffered the most terrible torture for sixteen years.

WHERE THEY DRINK BLOOD

La Villette, France, Is the Home of the Borgian Repast, a Consumption Cure.

Norman W. Dodge, a resident of Washington, D. C., has just returned with his wife from a three months' visit to Europe.

BENEFICENCE DOES NOT SAVE. No one can read this lesson thoughtfully without realizing that it is possible for a person to be an active worker in the church, a preacher in the pulpit, a great soulwinner, a theological professor, and yet be lost in the last great day.

What is the True Test of Christianity? Not profession, but obedience. It is not enough to call Christ pretty names. We must do what He tells us.

Country people have a great contempt for those who cannot tell what the weather is going to be till they have looked at their expensive barometers or seen the weather indications in the morning paper.

SUNDAY SCHOOL LESSON.

"The Two Foundations" - International Sunday School Lesson for April 1.

BY REV. WILLIAM EVANS, D. D. (Director Biblical Department of the Moody Bible Institute, Chicago; Official Lecturer of the Cook County (Chicago) Sunday School Association on the International S. S. Lesson.)

It would not seem strange to any student of the Bible that there should be found within the ranks of Christianity men who, though outwardly wearing its garb, yet inwardly are traitors to its cause.

Traitors Within Its Own Camp. We are not to look for these false teachers within the ranks of infidelity, but in the pulpit, the professor's chair, the theological seminary, the university.

What fruits are produced by such false teaching? Uncertainty; unbelief; doubt of the veracity of the Bible revelation; denial of the resurrection of Christ, His Deity, and redeeming work; disbelief in the immortality of the soul.
