FALLS VICTIM OF THE BLACK HAND

Shamokin Man Stabbed in Back on Street Corner.

Shamokin, Pa., June 1. — Henry Leichter, an American, was taking a walk for the benefit of his enfeebled condition, and stopped at a street crossing to converse with several friends, when Antonio Rizzi, an alleged member of the Black Hand society, crept up from behind Leichter and plunged a stiletto into him, almost disemboweling the former, who fell to the street, while his assailant ran into his own home close by.

Men with guns surrounded the house to prevent him from escaping. Several state policemen broke into the place and after a desperate struggle captured and imprisoned him.

Leichter was removed to a hospital, where his death is expected at any time. The reason for Rizzi's assault is unknown.

FIREBUG'S NEW SCHEME

Uses Chemical Compound That Water Makes More Inflammable.

Paterson, N. J., June 1.—Charged with having set fire to his store by means of a chemical compound, the nature of which has caused a sensation in police and fire circles, Eugene Frank, twenty-three years old, was committed to the county jail by Recorder Carroll without bail. The latest freak of the phosphorus-like compound with which the contents of the store at 890 Main street were smeared has sent Fireman Martin J. O'Rourke to St. Joseph's hospital. O'Rourke was placed on guard at the store and when he picked up some of the compound it ignited in his hands. The hand was severely burned and O'Rourke may have lost two of his fingers. The police regard the compound as the most dangerous yet devised for the purpose of arson, as the application of water only serves to make it more inflammable.

KILLS SELF TO AVOID ARREST

Athlete, Accused by Girl, Commits Suicide, After Eluding Constable.

Easton, Pa., June 1.—Dudley Wilhelm, aged twenty-two years, committed suicide here by shooting himself in the head with a revolver at his home. A constable had just served a warrant on him upon a charge preferred by a young woman of this city, and after telling the officer that he desired to change his clothes he went up to his room, took a revolver from a drawer and ended his life. He was a well-known football player and was a popular young man.

HALTS RATE RAISE

Government Secures Injunction Against Western Traffic Association.

Hannibal, Mo., June 1. — United States District Judge Dwyer granted an order restraining railroads, members of the Western Traffic association, from putting into effect a general increase in freight rates.

The petition, alleging an unlawful combination and conspiracy, was filed by Frederick N. Judson, special counsel, and Edwin P. Grosvenor, special assistant to Attorney General Wickerham.

Girl, Trying to Rescue, Drowns.

Ashland, Ky., June 1.—In a vain effort to save the life of William Jackson, Miss Clara Simpson, a leader in Ashland society, was drowned. Miss Simpson saw Jackson fall into the river. Plunging into the stream, she swam to him and seized his body. She attempted to get him to the shore, but became exhausted, and both drowned.
