**DON'T LET YOUR
ENERGY BREAK DOWN!**

Energy wasted during our best years brings on its trail of impaired health, from middle age on. . . . However, it is still possible to revive strength sufficiently to make life worthwhile.

For this, take Scott's Emulsion. It will help to sustain vitality and build up vigor, more resistance. It is both food and medicine — not merely a stimulant. Take it now for a few weeks. Put it to the test! Refuse all imitations. Accept only

"The Daughter Of The Dragon"

A PARAMOUNT PICTURE

Chills and Thrills and the acknowledged splendid work of Warner Oland, Anna May Wong and Sessue Hayakawa come in to make this story one of the most entertaining pictures in the "Big Parade".

It is one of a series of stories in which the famous Warner Oland appears as Dr. Fu Manchu.

We are unable to describe the picture on this occasion for fear of destroying the fine suspense developed and sustained right through the story.

It is a mystery story that will keep you spell-bound until the final fadeout.

Remember to book in advance in order to avoid disappointment.
Admission As Usual.
