**COUGHS
AND COLDS
STOP THEM**

Each cough, each effort to expel phlegm, is harmful to the delicate membranes of the throat and lungs. Do not neglect. Fortify your chest and lungs at once against bronchitis and pulmonary disease. Take Scott's Emulsion of the purest Norwegian cod liver oil.

It protects and restores; gives new strength with which to resist threatening disease.

Knapp Shoes are Good Shoes

FIRST—LAST—AND ALWAYS

IT is our policy to maintain our high standards of quality under any and all conditions. We do not propose to lower our quality in order to meet the low priced competition of the so-called "depression shoes" now being retailed in many stores. Knapp Shoes must maintain their reputation for style—quality—comfort—and service, and will be sold at the lowest possible prices consistent with such quality.

Stop in at Anduze's Barber Shop around 9 to 5 o'clock daily and see actual samples and amazing prices to suit your pockets.
