THE 1937 FORD V-8

To make FORD V-8 ownership possible for more people, the 1937 Car is offered with TWO engine sizes.

85 horsepower for maximum performance
 60 horsepower for maximum economy.

The smaller 60 horsepower V-8 engine brings to the FORD line lower operating costs, and the lowest FORD price in years.

The Salvation Army Christmas Appeal

Christmas again! And with its greetings from the Salvation Army, wishing you the joy and blessings of the season, and peace and prosperity in the New Year.

Our Religion is one of helpful mission and this Christmas—Birthday of our Saviour is a call to service—Service to God and to Humanity.

Like the Salvation Army in the United States of America and other parts of the world we are appealing to you on behalf of "CHRISTMAS PARCELS for the poor."

I feel assured that I can depend on you to do your part in making the less fortunate ones happy at this season of the year when everybody is trying to make some one happy.

Gifts which may include money and food stuff will be gratefully received up to December the 20th.

Thank you and may every Christmas blessing be yours.

Yours, in the spirit of Christmas,

ALBERT S. LIGHTFOURNE
