**MAN GETS A NEW STOMACH**

After trying to enjoy life for years with a no good stomach he gets wise.

"I was bothered for years with stomach trouble and gastritis. Food laid like lead in my stomach and fermented, forming gas. This caused a pressure on my heart, so that I choked and gasped for breath. I thought my time had come. MI-O-NA cured me after I had doctored without success."

—Wm. V. Mathews, Bloomington, Ind.  
Call it Gastritis, Catarrh of the Stomach, Indigestion or Dyspepsia; it matters not. MI-O-NA Stomach Tablets will drive out all the misery and give you practically a new, clean, willing to work stomach or F. D. Pierce will refund the price.

That's honest isn't it? So if you want to get rid of your sour, gassy, heavy, stupid, irresponsible stomach get a 50-cent box today.  
Sold and guaranteed in Orleans by F. J. Kinney.

**Dunbar Male Quartet and Bell Ringers.**

A great deal of interest is being shown in the concert to be given Saturday evening, March 22d, by the Dunbar Male Quartet and Bell Ringers. The Dunbars carry a peal of over two hundred bells made in Europe under their own supervision, and ranging in size from one to twenty five pounds. The bells are soft and mellow in quality and sustain their tones so long that the company has often been accused of having a small organ concealed and operated in connection with the bells. The Dunbars were the first to conceive the idea of a singing quartet which could also perform upon instruments, and they have a combination of quartet, bells, trio, cellist, tenor soloist, bass soloist and impersonator, all four men, which affords an unusually interesting evening's entertainment. After Wednesday night all remaining seats will be on general sale at Austin's at 35 cents.

**Samuel Ashbel Grow.**

S. A. Grow died at his home on School street Sunday, March 16th, in his seventy-seventh year, after an illness of only two days. Mr. Grow had been in failing health for a number of years, but his condition had not been considered serious until a few months ago when he suffered a slight shock, and apoplexy was the immediate cause of his death. Samuel Ashbel Grow was born in Morgan, August 2d, 1836, where he spent his early life. When the Civil War broke out he enlisted from the town of Charleston in Co. D of the 3rd regiment of Vermont Volunteers and was honorably discharged after three years' service. May 1, 1866, he was married to Sarah Fliza Fuller at Morgan, who with two children, Mrs. A. R. Bennett and Miss Eva B. Grow, survives him. About thirty years ago he moved with his family to Orleans, where he had lived since that time, and has worked at various occupations in this place. The funeral was held at his late home Tuesday afternoon, Rev. E. W. Eldridge officiating. The Masons attended in a body and their funeral rites were observed. Besides his wife and two daughters, previously mentioned, he leaves to mourn his death a sister, Mary A. Grow of Burlington, and five grandchildren. Mr. Grow was one of our oldest residents and will be missed by a large circle of friends and neighbors.

Card of Thanks—We wish to thank the many friends who so kindly helped us during the illness and death of our dear one, who has gone to rest, also for the beautiful floral tributes.

Mrs. S. E. Grow, Mrs. A. R. Bennett and family, Miss Eva B. Grow.

**Willoughby Fish and Game Club**

A meeting of the Willoughby Fish and Game club was held Saturday evening at the opera house. The following business was transacted: A nominating committee was appointed by the president; special committee appointed to draft new by laws for the club to be submitted at some future meeting; voted to have a Field Day at Willoughby at a date to be announced later, and a committee appointed to have charge of same; a special committee appointed to construct fishways in the Barton and Willoughby rivers. This will enable fish to run by the dams which at the present time prevent them from ascending streams at the spawning season and materially affects the fishing in the upper parts of the streams. The present law provides that no one shall fish within five hundred feet of an obstruction of this sort. The following committee was appointed to attend the State Fish and Game League to be held at Burlington, March 19th and 20th: E. E. Doe, J. E. Colton, C. J. Willey. The reports of the secretary and treasurer were read. During the last season this club has planted over 60,000 fry in neighboring streams, and applications have been placed at the National and State fish hatcheries for this season's supply. Application for membership in this club should be made to L. M. Kinsey or A. O. Austin, and new members will be admitted for the initial fee of \$1.00.
