Dr. Dow and family, accompanied by Dr. and Mrs. Prime, went Tuesday to Burlington by auto to return Thursday. The doctors will attend the health officers' school.

G. S. Dodge of Orleans recently entertained a party at dinner at the Glover Inn. Last Saturday evening Dr. and Mrs. Cleasby entertained a party of friends at dinner there.

The ball game between the Reds and Blues resulted in a score of 6-8 in favor of the Blues. The game was well played, notwithstanding the fact that a large number of the players had not played ball for years.

Mrs. Daisy L. Cheney of Manchester, N. H., Dana W. Stockbridge of Lowell, Mass., Mr. and Mrs. Ralph C. Fitts of Gardiner, Mass., spent Sunday in town, stopping at Mrs. Lillian McQueen's and going from there to the Cheney cottage at Willoughby lake, where they will stop for a time.

N. H. Wilson killed a hawk one day last week which measured three feet and ten inches from tip to tip of wings. The bird pursued a hen into the cellar and in the struggle to get it became wet and could not fly readily and Mr. Wilson killed it with a hammer. A number of chickens have been killed by it. It nested in Mr. Wilson's sugar place.

CHURCH NOTES

Wednesday evening the Boy Scouts will camp at Sherburne pond.

It is expected the male quartette will furnish music Sunday.

Rev. Glenn Douglass in his sermon Sunday spoke very earnestly of the great need of the example and influence of thinking people against the foes that threaten moral and spiritual freedom, among which he named intemperance, the social evil and profanity.

The entertainment given by the Blues on Saturday evening was much appreciated by the good sized audience who attended it. Some of the principle features which brought down the house, were original poems by Luther Merriam and George Wilson, containing local hits, and the cartoon work by Aden Phillips. Ninety-seven men passed down to the excellent supper which the Blues had hired the good ladies of the church to provide and the ladies wish to extend thanks to those who kindly assisted them.

Three young ladies and one babe were baptized at the Sunday evening service.

The ladies interested in the church work will meet at the church on Friday afternoon with a view to organizing a Union Ladies' society.
