

**WHY SUFFER ANY STOMACH DISTRESS**

When Mi-o-na is a Quick and Effective Remedy.

If your stomach is continually kicking up a disturbance, causing distress after eating, heartburn, coated tongue, sour taste of food, and you feel blue, irritable and nervous, you are suffering from indigestion and dyspepsia. It's needless for you to suffer, and now is the time to quickly stop the distress and regulate your upset stomach.

Simply get from F. D. Pierce, or any drug store, some Mi-o-na tablets—a simple prescription that does more than give quick and lasting relief. Mi-o-na soothes the irritated lining of the stomach and stimulates the flow of the digestive juices so that what you eat is quickly converted into healthful nourishment, then you are well and strong, and no longer worry about trifles or have restless nights.

Do not allow indigestion to wreck your health and happiness but get some Mi-o-na tablets at once—they are cheap and harmless.

The officers of the Hardwick Poultry association feel encouraged over the prospect of the show to be held at the opera house Tuesday, Wednesday, Thursday and Friday, January 26, 27, 28 and 29, and an extra effort will be made to make this show the best yet held by the association.

T. N. Vail has offered to remodel the town hall at Lyndonville so that it may be used by the schools as a gymnasium and assembly room, the chapel being of too small capacity to accommodate all the pupils. Mr. Vail will put a heating plant into the basement, add baths, remodel the balcony and build a stage, putting the building in fine shape.

Fire Wednesday morning destroyed the Grace Methodist Episcopal church structure, in St. Johnsbury causing a loss of \$40,000. The fire apparently started near the furnace. A good insurance is carried through local agencies, and it is thought that the edifice will be rebuilt and in more ample size than the old. It was only a few years ago that the church was partially burned and rebuilt. Rev. George A. Martin is the present pastor of the society. The fire was one of the most spectacular in St. Johnsbury for a long time, because of the nature of the construction of the building with a large bell tower. There was grave apprehension lest this tower should fall on some of the neighboring buildings, and the occupants of those structures were ordered out until the tower collapsed on itself after being partially burned. Half an hour before the tower fell, the supports of the bell were burned away, and the bell fell with a great crash. The parsonage building on the same property was saved. On nearby lots were the new St. Johnsbury house, the Goss garage, the Colonial theatre and a business block containing stores and the office of the Western Union Telegraph company. The church was located on Central street.

**THIS IS A BAD MONTH**

The indoor life of winter, with lack of outdoor exercise, puts a heavy load on the kidneys. Nearly everybody suffers from rheumatism, backache, pain in sides and back, kidney and bladder ailments. A backache may not mean anything serious, but it certainly does not mean anything good. It's better to be on the safe side and take Foley Kidney Pills to strengthen and invigorate the kidneys and help them do their work. They help rid the blood of acids and poisons.
