

Town Officers

Have You Made Arrangements for the Printing of Your ANNUAL TOWN REPORTS for This Year? If Not, Let Us Talk With You About It.

There are not as many printers in Orleans County today as there were last year. All kinds of paper stock are higher and it is for your interest to get your report in shape and in the printer's hands at the earliest possible moment to insure prompt delivery.

A WONDERFUL MACHINE READY TO WORK FOR YOU

Notwithstanding all these unfavorable conditions, this office is prepared with stock in readiness, and this marvelous machine at its command, to deliver work on time. This machine does the work of five hand compositors and does it better. It is the only linotype in this part of Vermont and is ready to work night and day for you.

THE LINOTYPE

By the operation of the keyboard this machine assembles brass moulds for the letter, figure or character shown on the key touched. These moulds are carried in a line to a position where molten metal is forced into the assembled moulds, and a line of newly-cast type is made and delivered ready for printing. The moulds are then automatically distributed back into the various channels from which they came, ready to be used again. The metal from which the line is cast is melted by electricity and kept at a certain degree of heat, 550 degrees Fahrenheit, by electric current, entirely without attention from the operator. It casts different lengths of lines, different sizes of type and different faces of type, and is pronounced by those who have seen it one of the most wonderful machines of any kind in the country. After use the type lines are remelted so that every line of type is always new. Visitors are welcome at the Monitor office to see this machine operate.

THOROUGH KNOWLEDGE A PRIME NECESSITY

Not alone in the matter of printing town reports are we prepared to serve the public with promptness, but every kind of printing receives the attention of an organization which knows the printing business in all its details. There must be knowledge of inks, papers, types, presses and their relation to each other to secure harmony and produce results. Our growth attests to the fact that we have mastered the essentials and details of the printing business and merit your confidence and business.

Wm. Barnes, San Antonio, Texas, writes: "Foley's Honey and Tar is the best cough remedy in the world. It has been worth \$50 a bottle to me. I had the flu followed by pneumonia, which left me weak, with a persistent cough. I needed rest and sleep, which I was unable to get. Someone advised Foley's Honey and Tar. I began taking it that very night. Before bed time I had a good night's rest, and I had sound sleep and perfect night's rest, the first since the beginning of the flu. CHARLES PIERCE CHURCH

In the death of Charles P. Church the town of Charleston has lost one of its oldest and most respected citizens. Mr. Church has resided in town about 37 years. He was born in Coventry Oct. 14, 1838, a son of Calvin and Clementina (Howard) Church. He was the last of a family of fourteen children.

Mr. Church was married May 15, 1860, to Sarah A. Hurd of Derby and to them were born eight children, five of whom are living, Mrs. Carrie B. Temple and Henry Church of West Charleston, Mrs. Blanche Wilson and Mrs. Clemmie Armstrong of Montreal and Mrs. Fannie Ramsdell of Westworth, N. H.

His wife, Sarah A. Church, died Dec. 25, 1901, and the following November he married Mrs. Adeline Bailey, who survives him.

Although a great sufferer in his last illness he showed by his brave endurance that he was a true veteran. He was tenderly cared for by his loved ones and they with the whole community will greatly miss his ever cheerful countenance and kindly words. He was always ready with shrewd and friendly counsel which showed a deep and sympathetic insight. One felt better to have known him. He was dearly loved by his 14 grandchildren and 13 great-grandchildren.

In April, 1861, Mr. Church enlisted in Co. B, 8th Regiment, Vt. Volunteers, under Capt. C. B. Childs. He was wounded at Port Hudson June 23, 1863, in an engagement lasting about 30 minutes, after which there were only 13 surviving members of his company out of 101 men engaged. He was mustered out of the service in June, 1864. Mr. Church was the last resident member of the G. A. R. of this town.

The funeral was held from the Baptist church of which for many years he was a member. Rev. J. W. Burging, a former pastor here, officiated, assisted by Rev. G. W. Collins.

Mrs. Church, her two sons of Worcester, Mass., all of the five children and ten grand-children were present. The casket was draped with the flag he loved and under which he fought.

The beautiful flowers bore mute testimony of the love of family and friends. A pillow from the family, wreath from grandchildren, wreath from the Bailey boys, anchor from the church and Ladies' Aid society; large spray, W. R. C. and G. A. R.; spray, Mr. and Mrs. Reed; spray, Mr. and Mrs. Jenkins; spray Mr. and Mrs. Maurice Pickett and family; spray, Mr. and Mrs. Will Church and Ella Church; spray Mrs. Peter Pickett and Mrs. Harper Pickett.

All of the five children followed the body to its last resting place beside his first wife at East Newport. The funeral director was H. G. Rutter and the bearers, John Dudley, John Cook, Fred Parlin, and G. W. D. Reed.

Card of Thanks—We wish to thank the many kind friends and neighbors who contributed aid and comfort in the great sorrow which has come upon us in the death of one so dear to us. For the beautiful flowers and the many expressions of sympathy we are indeed grateful.

Mrs. Adeline Church, Mr. and Mrs. H. L. Church, Mrs. Carrie Temple, Mr. and Mrs. M. H. Wilson, Mr. and Mrs. E. W. Ramsdell, Mrs. Clemmie Armstrong.
