Reception and Banquet to Soldiers and Sailors.

Orleans will welcome the local men who have served in the army and navy at the opera house, Thursday evening, May 29th. Invitations have been extended to over eighty of the boys who have returned home, including all who entered the service from this vicinity, and any other soldiers or sailors who happen to be stopping here, also several who fought with the Canadians. If any have been omitted it certainly is not because the committee in charge has not tried to locate every man entitled to receive an invitation. O. W. Locke will appreciate it if any one will call his attention to any man to whom an invitation should be sent.

Hon. M. M. Taplin will address the boys with a few words of welcome, to which Capt. K. S. Webster will respond, after which a banquet will be served by the Orleans Chapter of the Red Cross. During and after the banquet or until 10.30, entertainment will be furnished by the popular musical humorist and impersonator, Herbert A. Clark of Boston.

Music will be furnished by the New Harmony orchestra during the banquet and for two hours of dancing after. Reserved balcony seats for the entertainment are now on sale at only 25c each, the proceeds to go to the Red Cross society, if more than enough to pay the expenses.

Orleans has been over the top every time that men or money have been asked for during the war, and it was very easy for Dr. Lanphar to kindle war time enthusiasm for the Welcome Home reception for our boys.
