The game of baseball between the Bachelors and Benedicts of Albany resulted in a victory for the bachelors. The fact that it took ten innings to break the tie, indicates that the bachelors had a task for nine strong men.

On Thursday evening, Aug. 28th, the members of the M. E. church choir will serve a fish chowder supper in the dining hall of the church. The purpose of the supper is to raise funds sufficient to pay for our new piano. We expect a house full of people. Come.

To the people of Albany who attended the baseball game in Albany, Saturday: I wish through the columns of this paper to offer an apology for the profane language I used while attending the game. I apologize for the uncalled for remarks I made to Rev. W. E. Craig. I am sorry for disturbing the peace, and shall endeavor to conduct myself in a more manlike way in the futrure.

Signed, O. C. Peters.

The Campfire Girls and Boy Scouts of Albany spent a most enjoyable two days' vacation at Caspian lake. The girls occupied a well-furnished cottage and the boys had two commodious tents and a wooden shack in which the food was prepared and very readily disposed of. The program consisted principally of boating, fishing and swimming, but the principal recreation for most of the boys was eating. One morning the Scoutmaster was horrified to find the large supply of cheese missing. Soon the alarm was sounded and every boy was made aware of the loss. It was later discovered that one of the fellows, who had been underfed for a few meals previous, ate the cheese. He has not told it all, but we are thinking that probably he dreamed he was hungry and got up in his sleep and ate the cheese. The fact that he is unable to recall everything in connection with the tragedy plus the uncomfortable condition he was in all the next day should add some weight in convicting him of the crime. Another fellow got off with a string of philosophy while he was asleep. We won't record all he said. This was about the only string we caught because there seemed to be no fish. The last night in camp the girls were invited to attend the big camp fire which the boys had. Ice cream was served and an hour of pleasure was spent. When the last embers began to die we all joined in singing the Doxology and the National Anthem. The boys wish to express their gratitude to the girls for their kindness in having the Scouts over to dinner the last day. Unfortunately one of the boys spoiled the whole banquet by calling and recalling for more soup when there happened to be no more. When camp broke up and we started for home we all concluded that we received far more pleasure than we had anticipated.

METHODIST CHURCH NOTES.
W. E. Craig, Pastor
Sunday, Apgust 24th

Morning service, 10.30. Subject "Thou art weighed in the Balances and are found wanting."

Bible school following the service. Albany seldom does things by halves as is indicated by the progress we are making in Sunday school and church attendance. Last Sunday we had no less than 112 people in Bible school, making in all a total of 184. The church of God moves along when men and women patronize and work for the church as though they believed in it. There are a few empty seats yet to be filled. Come next Sunday and we will have a good time together worshipping God and studying how we can best carry out His program.

SOUTH ALBANY

A dance was held in the schoolhouse on Wednesday evening.

Mr. and Mrs. Will Mitchell and children, Marjorie and Warren, of Danville, and Mrs. Dean Mitchell and Mrs. Corey Urie of Greensboro were guests at the home of Mr. and Mrs. James Calderwood, Saturday.

Pastor's theme for Sunday, "Thou art weighed in the balances and art found wanting." Here is a church that is alive in every department. The people here, as well as at Albany, are people who do a finished job on any task they undertake. It is a pleasure for the pastor to preach here. The standing of the contest shows Albany and So. Albany much in the lead in Sunday school attendance. Sunday we had 72 here, making a total of 184 for Albany. We cannot allow this issue of the paper to pass out to the subscribers without making mention of the special music rendered in the M. E. church. Mrs. R. P. Webster, one of the county's best soloists, rendered two splendid solos to the delight of the entire congregation. We wish to thank her for her very acceptable contribution.
