

ENTERTAINED?

Well. Some. Newport Jr. O. U. A. M. Men Devour Newport Center Food.

Members of the Newport Council, Jr. O. U. A. M., went to Newport Center Friday night to visit Newport Center Council, at which time a candidate was taken into the order.

At the close of the meeting, Rev. C. W. Kelley entertained the members by throwing on the screen pictures of ruined churches in France and Belgium, destruction caused by the Germans in the late war. Included in the pictures were several views of the working of the Red Cross during the war. The pictures were greatly enjoyed.

The boys at the Center always keep the best for the last, as was well demonstrated on this occasion, when the visitors were invited to sit down to a banquet. The tables were loaded with good things, and as fast as they disappeared, more was brought on. Oyster stew, and such oysters, milk, pickles, doughnuts, pies and nuts and cakes of all descriptions. The way some of the Newport boys devoured those pies, made the reporter blush for shame.

After the banquet, Rev. C. W. Kelley very ably acted as toastmaster and called upon several of those present, who made short remarks which caused many a hearty laugh, as different incidents were related, with now and then a good story.

RED CROSS ROLL CALL

An Appeal to Citizens of City to Maintain Membership.

The third Red Cross Roll Call is about to begin. Shall we not enroll you among the members of this great organization before which lies a great opportunity for service to humanity, whose call it has answered so nobly in the past?

The war is over! The suffering and destitution will long remain. All that you are asked to pledge is your membership, in proof of your recognition of the work done in the past and your good will in its future efforts to maintain its high standards.

There will be no drives, either for money or for work. The treasury is well supplied. The work-rooms will be open as usual, one day a week for those who would like to have a part in lessening the suffering of the coming winter for the destitute of other nations.

Our branch has in the treasury \$3900. If our organization continues it is ours to use for local purposes for the good of the health of our own community from which it was drawn. Also 40% of the proceeds of this drive returns to us to swell this fund. If sufficient interest is not shown to maintain the branch, this money must go to headquarters. It is yours by right of work and sacrifice and you must be interested in its disbursement.

Join the Red Cross for the coming year.

MARRIED 40 YEARS

Mr. and Mrs. Henry LaFountain Celebrate Important Event.

Mr. and Mrs. Henry LaFountain of 5 Third street celebrated their 40th wedding anniversary Thursday evening, Oct. 23, at the home of their daughter, Mrs. Burns Fairbrother, 1 Third street. This social event was a complete surprise to Mr. and Mrs. LaFountain.

Mrs. LaFountain being a regular attendant at prayer meeting at the First Baptist church, spent the early part of the evening at the church. Mr. LaFountain was invited to take a trip to Coventry with his son, Burns Fairbrother, to get some potatoes. Upon the return home of Mr. and Mrs. LaFountain they called at the home of their daughter and were overcome with surprise to find gathered there about 30 of their friends and relatives, who had gathered to help them celebrate their anniversary.

The evening was pleasantly spent in social conversation, and lively music was furnished by Bert Proctor and daughter, Grace, of Barton. Mr. Proctor played the violin and the daughter presided at the piano.

The Rev. H. B. Rankin, in behalf of the friends gathered presented Mr. and Mrs. LaFountain with a purse of money and a bouquet of white chrysanthemums, also a large wedding cake was presented to them. Mrs. LaFountain, not having fully recovered from the great surprise, thanked the friends for their kind acts and gifts, and took charge of the purse of money, giving the cake to her husband.

Light refreshments of sandwiches, cake and coffee were served, and the friends departed wishing Mr. and Mrs. LaFountain many years of happy life.

HOSPITAL BENEFIT

Boston Artist Combined with Local Orchestra to Give Entertainment.

A real treat is in store for Newport people Thursday evening, when Miss Grace Sage of Boston will appear at the School hall on the evening of Oct. 30, and impersonate the popular play, "Romance." As a reader and interpreter of plays, Miss Sage has proven herself to be an artist of ability—ability coupled with charm, intellect and good taste. Her dramatic sense and power of impersonation enables her to portray her characters with remarkable distinctness.

Boston Globe says Miss Sage is a reader of unusual ability from whom we may expect great things.

Miss Sage comes to Newport for the benefit of the hospital fund. The admission will be 50 cents, children under 14 years of age 25c. After the entertainment a social dance will be enjoyed at which a royal good time will be in store for you.

The following personnel will appear in the orchestra: Mrs. Don Puffer, piano; Cleoid Sloggett, violin; Forest Drew, flute; Milton Drew, clarinet; George Lothrop, cello. A buffet lunch will be served at the dance.

Everyone who is interested in the hospital movement is invited to attend and help swell the fund.

The only reason the majority of persons are not spendthrifts is because the majority of persons never have had the chance.
