Eager expectation will become full realization when Creston Clarke presents "The Ragged Messenger" at the opera house on Saturday evening, Oct. 13. This accomplished actor is this season giving an interpretation of a purely modern role in "The Ragged Messenger" that has set the entire theatrical world agog, and that must be proving disconcerting to those wiseacres, who, misled by his masterly effort as "Monsieur Beaucaire", a highly romantic role, contended that he could not portray a strictly modern character.

Captain and Mrs. Chase, the officers of the Salvation Army of Barre, will conduct their farewell service in Army hall, Sunday evening, Oct. 7th. Since the arrival of Captain and Mrs. Chase in Barre they have made many friends for the Army by their hard work and faithfulness to its cause. They will be greatly missed by the comrades of this corps who have learned to love them both since their arrival. The captain reports that the Army work is in a better condition at present than it has been for some time in this city, and the future for the Army in Barre is still more promising. During the command of Capt. Chase an invoice book has been kept for inspection by any friend who so desires. All donations have been kept on record and any one contributing to the Army work can find same on file. Their change is largely owing to the condition of Mrs. Chase's health which has been poorly since they came to this city. The people of Barre highly appreciate the good work done by them here and bid them goodbye with a hearty welcome to return at any time.

OPENING FALL SALE

AND

Exposition of the New Modes for the Season at Hand.

Saturday, October 6th, will mark the opening of Fall and Winter business. At this time our complete showing of Fall models will be on parade for inspection.

For those wanting the more exclusive fabrics it is advisable to make selections early in the season, and we invite the interest of those who desire the widest range of selection.

The prominent feature in Business Suits is the form fitting back with flared skirts. In some styles this is pronounced, and in others only moderately so.

The same style prevails in Overcoats. Business coats are moderately long. In Overcoats one may wear a style 45 or 50 inches long, or some length between the two, and any of them will be correct.

We have a very wide range of fabrics this season, as well as the correct new styles, and we may say that we have never shown an assortment more pleasing in every respect, than we now present for your consideration.

Sincerity Suits from	\$10.00 to \$22.00
Sincerity Overcoats from	10.00 to 22.00
Other Suits from	5.00 to 22.0
