LILY WHITES HIT WEAFER

St. Johnsbury Defeated the Italian A. C., 16 to 8, on Saturday

FOWLIE, TO RESCUE, DID GOOD TWIRLING

Home Team Was Somewhat Weakened and Played Without Spirit

St. Johnsbury sprung a surprise on the Italian Athletic club at the Berlin street grounds Saturday afternoon, walking away from the locals with the bulk end of a 16 to 8 score. It was a large holiday crowd that gathered to see the argument, the gate registered around 700 admissions when the game began. Not in a good many days have the local braves performed so disappointingly and Joe Weafer, the I. A. C. premier twirler, who usually stays strong when everybody else is going the other way, was the biggest disappointment of them all. In his five-inning regime, Weafer was touched for no fewer than 13 bingles, including seven doubles and a homer. It seemed meet and right that he should be transferred to the outer regions.

The one big surprise of the day was Brave Fowlie, erstwhile, who was hustled to the rescue, once it became plain that Weafer could not withstand the heavy onslaught from the Over-Homers. Fowlie, hitherto an obscure figure in pitching circles, burst straightway into the limelight by curbing the relentless attack of the visitors and holding them down to two hits and a single run. The eight tallies which the I. A. C. garnered were enough to win most games and what the outcome would have been had Brave been started is only problematical, but the question furnishes food for thought. It was an off day for base ballers. With an infield shot to pieces by vacancy and unavoidable decimation, the Italians could hardly expect to strike their usual gait. Even Spear, the man who held Colgate to hitless account while pitching for the state university, was not in prime form and he was frequently bewildered by terrific banging.

Auspiciously enough the game began. On Witt's double and a Hoernle single, St. Johnsbury got its first fair hold, but the Italians came back in their half of the first with a duplicate, Counter hitting for two pillows and scoring on a passed ball. There was a lull in the second, but firing started in the third. Witt's clean circuit of the bases was the foundation for five St. Johnsbury runs. It seemed to have a stupifying effect on the boone boys. They did no better than a single counter in their half. Thereafter the locals had only sporadic opportunities to tally. Four consecutive doubles in the fourth by Moore, Hoernle, Witt and Gray netted three more and a half dozen were added in the next round. It was then that Weafer was despatched to right field, Comolli coming in to catch and Fowlie ascending to the mound. It seemed relieving to see the side retire in order in the sixth. In the eighth Smyth doubled and Morrison scored him on a single to center, but that was all. The score:

Notes.

Havoc!

Captain Calcagni's double over the fence in the seventh lacked only two feet of being a home run.

Disquieting news from Manchester: Clari is laid up with a bad knee.

St. Johnsbury drew heavily on Goddard men, present and past: Witt and Gray of the first team; Hoernle, coach and faculty member; Joe Moore, who made history on the hill in 1911.

Spear proved once again that he is not the twirler who can be depended upon to pitch well every time he is selected for box honors. A more compact hitting and fielding outfit would have made him a sorry figure on Saturday.

Fowlie may be expected to do some more good work this season.

BROKE EVEN ON DOUBLE BILL

Hanover Took the Forenoon Game from the Barre A. C., 8 to 4

LOCALS CAME BACK WITH 2 TO 1 VICTORY

Large Crowds Saw Some Real Holiday Sport at Intercity

The Hanover Independents, one of the strongest independent baseball organizations that ever left Hanover, N. H., filled a double bill of baseball with the Barre A. C. at Intercity park on Memorial day. The laurels were evenly distributed at the close of the day. The forenoon game was won by the collegians 8 to 4 after a 10-inning struggle. Then in the afternoon the Barre lads reversed the tables, winning 2 to 1 at the consummation of nine innings of the brand of baseball that lingers long in one's memory. The article of ball displayed by both teams was of exceptionally high order in both games and was received with the hearty approbation of large crowds. In the forenoon a good sized number taxed the stands, despite the inclement weather, while in the afternoon both the bleachers and grandstand were swarmed with fans from both Barre and Montpelier.

The Forenoon Game.

Hanover retreated from the field late in the forenoon with the first game tucked safely away by a batting bee in the 10th inning that netted four runs, making the final count 8 to 4. The Hanover team took the lead in the second inning by scoring a trio of runs on a couple of bases on balls, a single and a double. The Barre team scored twice in the second and made a strong bid to land the honors in the eighth by tallying twice again. The side was retired at this stage when Williams fanned. The Hanover team annexed its fourth run in the sixth inning on a hit and a wild pitch by Williams. In the fatal 10th Hoch, who had replaced Hale in left field, strolled and then stole second. He scored on Eskeline's double. Johnson singled to left, scoring Eskeline. Johnson made second base when Peduzzi allowed the ball to roll away from him. A timely hit by McKendy scored Johnson. McKendy purloined second while Williams was fouling out. Poor singled and scored McKendy from second. That ended the scoring. Barre's efforts to score in their session of the 10th proved futile. In the forenoon's game two former Goddard pitchers opposed each other. Johnson, who carried the Red and White colors in 1912, had the upper hand of Jimmy Williams, the Charlotte farmer and former quarryman. Williams pitched masterful ball up until the 10th inning, when he exploded and was hit unmercifully by the collegians. Catches by Williams, the former Spaulding star, featured the forenoon's game. The score:

The Afternoon Game.

"Tommy" Davidson spelled defeat for the New Hampshire lads in the afternoon contest. Davidson was in rare form and held his opponents to three scattering hits. The Barre lads won the game during the few innings that Platt, a Swanton fisherman, was performing. The Barre sluggers connected for four hits during the four inning visit of Platt, which resulted in runs in the second and fourth innings. Platt was relegated to the grandstand, to be succeeded by Captain Hoch. This little individual twirled remarkable ball. After his debut on the mound Barre secured but one lonely hit and failed to score again. Hoch was tardy on arriving at the grounds, but had he lent his presence at the outset there is some discussion as to what the outcome would have been.

The only run scored by the Hanover aggregation came in the seventh inning. Eskeline doubled to center field. By a daring piece of running he stretched a single into a two-base hit. He went to third while Fowlie was throwing Poor out at first base, after he dropped his third strike. Eskeline counted on Samalson's fly into deep left field.

Other than this inning Davidson was only threatened in the ninth, when Hanover men occupied the last two hassocks with none down. The outlook began to assume a gloomy appearance for Barre. The two base runners had reached the base paths through errors. Davidson then turned on steam and fanned Eskeline, Poor and Burnham in succession. For this achievement the stands poured forth volumes of praise.

In the second, Johnston connected with one of Platt's benders for a slashing double into left field. "Bill" Stuart dented the pill for a hit into center that scored Johnson. Stuart purloined second, but failed to advance, as the next three men were retired in order. Nute opened the fourth with a hit to center and then pilfered the middle station, from where he scored on Johnston's double into left field. A catch in short center field by Williams that robbed Nute of a hit in the sixth inning featured the game. The score:

FRENCH CAR FIRST.

Average Speed Over 82 Miles an Hour at Indianapolis.

Indianapolis, June 1.—Bene Thomas, driving a French car, won the fourth annual 500-mile race on the Indianapolis motor speedway Saturday. All speedway records from five to 500 miles were broken. The first American to finish was Barney Oldfield, who crossed the wire in fifth place. Thomas' time was six hours, three minutes, 45 99-100 seconds. The winner maintained an average speed of 82.47 miles an hour. The former record of six hours, 21 minutes and 3-100ths seconds was established by Joe Dawson in 1912. The new record established Saturday was due in a large measure to the ideal weather conditions.

Arthur Duray finished second, seven minutes after the winner. Albert Guyot, teammate of Thomas, was the third driver to be given the checkered flag and Jules Goux, winner of the 1913 race, finished in fourth place, six minutes ahead of Oldfield.

Detroit scribes say that the real worth of Ty Cobb has been demonstrated during the past few days. While Cobb has been absent from the lineup the Tigers have slipped from their stronghold at the top of the American league race. Detroit fans are also admitting the fact.

McGraw is afraid that the disease that struck the Chicago Cubs in 1909 may hit his team this season. In the spring of 1909 it did not look as though any club had a ghost of a show to beat the Cubs to the fourth consecutive pennant. The Pirates got away to the front and the Cubs continued to drive their automobiles, content that they could catch the Pirates when they wanted to. What happened is baseball history, and it looks as though the drama might be repeated this year with New York in the role of the Cubs.

SPAULDING EASILY ON TOP

CAPT. TOMASI HELPED KIDDER OUT OF HOLE

After Whiffing Three Batters in First Tomasi Again Let Kidder Perform

St. Albans, June 1.—Spaulding high school won the annual Memorial day baseball game over St. Albans high school by the score of 17 to 6. The game was a one-sided affair, the heavy hitting of the Spaulding team predominating. After facing a three-run lead at the close of the initial inning, the Spaulding team entered into a batting bee that lasted only through a two-inning session, but which would suffice to win most any baseball game. During the first three innings the Barre team scored a total of 15 runs. After that the team played listless ball.

Newton essayed to pitch at the start of the game. He was derricked in the second inning in favor of Roach. Newton was hit hard, but Roach was hit even harder during the following two innings. The local team scored the majority of its runs in the first inning, when a total of five runs were amassed off Kidder, principally through errors behind him. With none out, Kidder was relegated to right field and Tomasi was summoned to pitch. His work of disposing of the next three batters on strikes was one of the features of the game. Kidder then resumed his position on the mound and was easily the master of St. Albans. He allowed but two hits during his stay on the hillock. The timely and hard hitting of Brown, Gordon, Tomasi and Kidder furnished features for the game. Tomasi of the Barre team made one of the most spectacular catches ever seen on Houghton field when he ran deep into right field and picked a long drive while leaning over a barbed wire fence. Sullivan robbed Gordon of a two-bagger by a brilliant one-handed catch in center field. By winning Saturday, Spaulding annexed its eighth consecutive game of the season. The score:

GODDARD SCORED ALMOST AT WILL

Defeated Randolph "Aggies" at Randolph Center Friday Afternoon by Score of 16 to 4.

Randolph Center, June 1.—Goddard seminary easily triumphed over the Vermont school of agriculture on Friday, winning by the score of 16 to 4. The victory was the second for Goddard this season over the local boys. The feature of the game was the heavy hitting of the Goddard team, Witt and Bailey leading. Pitcher Clapp was pounded especially hard, while Ford was never forced to exert himself. The summary:

Goddard ..... 01034 6200—16
Vermont Aggies ..... 00000 2020— 4

There is a good chance of young Harold Janvrin replacing Steve Yerkes at second base on the Boston Americans. Yerkes has been playing a good fielding game, but has been woefully weak in hitting. He is well below the .200 mark. Janvrin can adapt himself to any infield position and is a fairly good sticker.

George Foster was scored on after pitching 41 innings of scoreless ball. The strain was so great on Foster that it was best that the string of innings was broken.

Christy Mathewson says that the Giants will break all modern baseball records by winning the National league pennant four consecutive seasons. He is very honest in his opinion about it. Mathewson himself is pitching as good ball as he has in years.

SPORTING NOTES.

It is rumored that "Rebel" Oakes, the former Card, is angling for his former teammates with certified checks. Oakes is manager of the Pittsburg Feds.

Manuel Comacho, a Cuban, will probably be given a tryout with the New York Giants during the latter part of next month. Gomacho attends Powder Point school, outside of Boston. He was formerly a pitcher, but recently converted his ability to third base.

It was announced this week that President Lannin of the Red Sox had purchased Guy Cooper, a pitcher of the Highlanders. Cooper is a former member of the United States marine corps. He was purchased by the Highlanders the latter part of last season from the Petersburg club of the Virginia league.

"Connie" Murphy of Malden, Mass., has been elected captain of the 1917 baseball team at Dartmouth college. Murphy is the star of the baseball team.

With 10 more hits to his credit, the grand old Honus Wagner will have garnered a total of 3,000 hits since he entered the National league with Louisville back in 1897. He has made 1,569 runs and stole 704 bases in that time. A record hard to beat.

Jack Moakley, the Cornell trainer, will carry 30 men to Harvard for the big intercollegiates. The big fight for first honors seems to be between Cornell and Pennsylvania, with honors about evenly distributed.

Daniel Griner and Theodore Cather, members of the St. Louis Cards, were fined $100 each this week for fighting in the clubhouse at St. Louis. Cather is nursing a sore jaw with five stitches.

TO SAVE EYES

IS THE OBJECT OF THIS FREE PRESCRIPTION—TRY IT IF YOUR EYES GIVE YOU TROUBLE

Thousands of people suffer from eye troubles, because they do not know what to do. They know some good home remedy for every other minor ailment, but none for their eye troubles. They neglect their eyes, because the trouble is not sufficient to drive them to an eye specialist, who would, anyway, charge them a heavy fee. As a last resort they go to an optician or to the five and ten-cent store, and oftentimes get glasses that they do not need, or which, after being used two or three months, do their eyes more injury than good. Here is a simple prescription that everyone should use:

5 grains Optona (1 tablet)
2 ounces water

Use three or four times a day to bathe the eyes. This prescription and the simple Optona system keeps the eyes clean, sharpens the vision and quickly overcomes inflammation and irritation; weak, watery, overworked, tired eyes and other similar troubles are greatly benefited and oftentimes cured by its use. Many reports show that wearers of glasses have discarded them after a few weeks' use. It is good for the eyes and contains no ingredient which would injure the most sensitive eyes of an infant or the aged. Any druggist can fill this prescription promptly. Try it and know for once what real eye comfort is.
