From the New England Milk Producers Association

Vermont dairy farmers have more help from members of their families than farmers in any other northern New England state, according to the data recently secured by the department of statistics of the New England Milk Producers Association. The figures show that the wives, daughters, sons and other members of the families, working without pay, do 24 per cent of all the dairy work on the average farm. With this efficient help the Vermont farmers get along with only 27 per cent of hired labor.

These figures are in striking contrast to Massachusetts where the dairy farmers have only seven per cent of help from members of their families and are obliged to hire more help and put in much more time themselves. New Hampshire families do 17 per cent of the work and Maine 16 per cent. But the Maine farmer does much more of his own dairy work and has only 7 per cent of hired help.

One reason why Vermont families make such a good showing is the large percentage of work done by boys under 18 years old. The records show that more than 13 per cent of all the dairy work is done by these boys, while in Massachusetts they do only 4 per cent, in Maine 5 per cent and in New Hampshire 8 per cent. Vermont daughters, on the other hand, are next to lowest in the list, with less than 1 per cent of work to their credit. Connecticut girls do more than seven times as much work on dairy farms according to these statistics. Vermont women do more dairy work than the women of any other state but Connecticut and they do eight times as much as Massachusetts women.

These figures were secured by the New England Milk Producers Association in its effort to determine the actual cost of producing milk on the average New England farm. The percentage of home labor runs high. It is not paid for directly but it must be taken into account in determining costs. The relatively large percentage of work which is done without cost by members of the average Vermont dairyman's family may be one reason for the common belief that milk can be produced in Vermont much cheaper than in other states of New England.

Big Labor Day Celebration Island Pond September 5th. Races, Sports, Ball Game, Parade, etc., with Barton band in attendance. Every one invited to take part in this grand celebration. Watch for posters.

Barton Fair Next Week

The Orleans County Fair will be held at Barton next week, the two big days being Wednesday, September 8 and Thursday, September 9. The baseball games which have always been a feature of this fair will be faster than ever this year, Lyndonville playing Barton Wednesday forenoon at 10 o'clock and Sherbrook playing Barton at the same hour.

A famous Canadian aviator will make three exhibition flights on both Wednesday and Thursday, and will carry passengers. This feature will be of the best exhibits of air work ever seen in this part of Vermont.

Every effort is being made to give exhibitors of stock the square deal. A large supply of corn has been grown on the grounds and will be cut ready for use. The judge of the stock will be F. E. Duffy of Hartford, Conn., who does the same work at the Eastern States Exposition. It is expected there will be a larger display of live stock at the Barton fair than at any of the other fairs in this part of the state.

With the ball games, air flights, vaudeville, band concerts, races, exhibits of stock, horses, sheep, swine, cattle, poultry, dogs, fancy work and many other exhibits, the pleasure of everyone has been considered.

Ground accommodations are finest at the Orleans County fair. Finest grand stand seats, large parking space for cars, good running water, clean toilets, big dining hall and a big fair.

Dickson—Libby

A very pretty wedding was solemnized Tuesday, August 24th., at the home of Mr. and Mrs. Ed. Dickson on Derby street, when their daughter, Frances Ethelwynn, was united in marriage to Clair Walter Libby, son of Mr. and Mrs. Charles Libby, of Ayers Cliff, Que. Miss Thelma Dickson, sister of the bride was bridesmaid and Mr. Forest Aldrich of Moose River was best man. The bride was given away by her father the double ring service being used. Little Elaine Dickson, niece of the bride, carried the rings in a tiny silver basket. The Rev. Robert Lawton officiated. The wedding march was beautifully played by Miss Grace Libby, sister of the groom.

The rooms were tastefully decorated with evergreen, and flowers, an archway under which the bridal party stood during the ceremony was very prettily festooned with flowers.

Dainty refreshments were served of ice cream, cake and punch. A generous sized wedding cake came last.

The bride was attired in white crepe de chene, with dark blue suit, and hat to match, for traveling. The bridesmaid wore pink silk. The groom in the conventional black, Miss Libby white silk, little Elaine also in white silk.

Miss Dickson being a popular young lady, who has long held a position in the Island Pond National Bank, about thirty young friends of the bride made merry over the going away by showering the happy couple with confetti and good wishes for a long and prosperous future.

Their honeymoon is being spent among the White Mountains and at Lake Seymour. They will be at home after October 1st., at Ayers Cliff, Que.

Gosley—Petrie

A marriage of interest to many in Island Pond was consummated, Sunday, August 22nd., when Miss Minnie Gosley of St. Johnsbury, Vt., and Mr. Bernard Petrie of this place, were united in marriage by the Rev. Father Dwyer at the St. Aloysius church in St. Johnsbury. Miss Ruth Hunt, a friend of the bride was bridesmaid and Mr. William Derochers of Island Pond was best man. The bride was attired in a traveling suit of dark blue tricotine with hat to match, and carried a prayer book. The bridesmaid wore brown silk and also carried a prayer book.

After dainty refreshments were served at the home of Mr. and Mrs. Charles Rowe, 27 Pearl St., the happy couple started on their honeymoon by auto, Mr. Chas. Petrie, father of the groom, and his son Gerald, motoring with them to Island Pond, where they left on the 1:10 train for Toronto, Buffalo and Niagara Falls, returning to Island Pond Friday.

They are now at home on Derby street, in Mr. J. Campbell's house, which had been prepared for them to occupy.

The wedding gifts were numerous and beautiful. May they live to celebrate their Golden Wedding.

Morrisette—Tessier

Again the wedding bells are ringing. This time for Miss Flora Morrisette, daughter of Mr. and Mrs. Antoine Morrisette of this place, and Mr. Hector Tessier of Livermore Falls, Me.

They were united in marriage Monday morning at 8 o'clock, at the St. James Catholic church, by the Rev. Fr. Therrien. The bride was attired in pink silk georgette with hat to match.

After the ceremony the bridal party repaired to the home of the brides' parents, Mr. and Mrs. A. Morrisette at the head of the pond, where a sumptuous repast awaited them. About forty relatives and friends gathered around the frugal table. After this, the young people danced and with singing made merry till a late hour.

The newly weds will spend their honeymoon in Lancaster and Livermore Falls, Me., after which they will be at home in Berlin, N. H.

Printing Safeguards Your Money

Protect your cash not only with bolts and bars and banks but with businesslike printed forms and records for every transaction you undertake. We can show you a paper—

Paper—that betrays erasure and prevents fraudulent alteration of your checks, notes, drafts and receipts.

For letterheads and general printed forms we use and recommend a standard paper

that we know will give you satisfaction.

Ladies Guild Hold Picnic

Last Friday being an ideal summer day, eleven ladies of Christ Church Guild, betook themselves around Birch Point, each with a well filled lunch box, and such a picnic as they had cannot easily be described. The principal business of the day, centered at the Rectory. The outside having been newly shingled and other wise improved, the interior had to be prepared for the polishing and decorating. So each "Fairy" with her magic wand circulated thru the rooms from basement to garret, and by their good works we all know they belong to the "Good Fairies."
