

REACH SUMMIT OF MOUNT TACOMA

SWALLOWS HIS PRIDE AND ACCEPTS SON'S SHOP-GIRL WIFE

(By United Press Leased Wire.) BELGRADE LAKE, Me., Aug. 18.—"Phlander C. Knox and family" is the way the secretary of state is registered today at the Belgrade hotel, where his recalcitrant son, with his heretofore unwelcome wife are staying under the paternal wing, every sign of discord over the youth's marriage gone. It was thought that young Knox's marriage to a New Haven shop girl had estranged father and son permanently but the elder Knox has evidently accepted the situation.

TACOMA ROTARIAN ON PEACE MISSION

(By United Press Leased Wire.) SEATTLE, Aug. 18.—H. P. Pratt, of the Tacoma Rotary club, was in Seattle last night in the interest of the inter-city conference between Tacoma and Seattle which will take place next Wednesday. Pratt urged harmony instead of harmful rivalry between the two cities.

DESPERADO SEEN AGAIN

(By United Press Leased Wire.) COLFAX, Aug. 18.—After keeping out of sight several days, the freckle-faced desperado, appeared yesterday near Emido, Idaho, where, at the point of a revolver, he forced a settler to feed him. He had attempted a disguise by making a beard from bearskin. A posse is on his trail today.

She Designs \$10,000 Silver Service For Battleship North Dakota

In competition with many expert designers, Miss Lilla Lorschbough, a society girl of Fargo, N. D., has won the prize for a decorative design to be used on the \$10,000 silver service of the new Dreadnaught battleship North Dakota. Her father is secretary of the Dakota Trust company, and is a prominent financier of the northwest. Miss Lorschbough has long varied her social duties with art work, but, only in an amateur way. Her prize design consists of an eagle, an anchor and a steering wheel, emblematic of the navy, with a sheaf of wheat in the center, typical of the great Dakota product. All this is upon a crest, interwoven with the letters U. S. S. N. D. The silver service is to be paid for by popular subscription.

Little Things That Happen Around Town

Ex-Mayor John W. Linck leaves for a month's visit in the middle west today. He will attend the grand aerle of Eagles at St. Louis August 22 to 27, and the grand council of Redmen at Toledo, O., from September 2 to 6. F. W. Nyland was placed under peace bond of \$200 yesterday afternoon by Judge Arntson following a complaint by his divorced wife that he was threatening her with bodily injury. M. O. Bigelow and Frank Chester, who were painting a sign for the Tacoma Paper and Stationery company, 1735 Jefferson avenue, yesterday, were thrown a distance of 20 feet by the breaking of a rope supporting their scaffold. The police ambulance responded to a hurry call, but neither of the slightly injured men wanted to go to the hospital. They were sent home. County Commissioner W. H. Dickson, L. R. Manning and Chas. Hyde, representing the Tacoma Chamber of Commerce, left for San Francisco today to join the representatives of seven other chambers of commerce of the Pacific coast on a tour of China for the purpose of advancing commercial relations. Judge Easterday yesterday granted a divorce to Horace G. Herold from Victoria R. Herold. Mrs. Herold was granted the custody of their child for the first three years, after which the father will have charge of it. F. W. Nyland was placed under peace bond of \$200 yesterday afternoon by Judge Arntson following a complaint by his divorced wife that he was threatening her with bodily injury. M. O. John Walkup Had a Nickel and a Happy Disposition

John Walkup is an agreeable chap. He had but one nickel to his name yesterday afternoon. But that nickel was five cents more than thirteen others had, as they lined up before Judge Arntson in police court. Walkup himself did not know he owned the nickel until it was found by the jailer in the lining of his tattered coat, which may have accounted for Walkup's genial disposition yesterday, albeit a charge of vagrancy had been placed against him. "So you were on a good spree?" commented Judge Arntson when Walkup's name was called. "Call it a good one if you like, judge," smiled Walkup. "What do you think of it yourself?" inquired the judge. "Oh, it suited me all right," came the answer without the least hesitation. Judge Arntson sentenced him to ten days in jail, but Walkup thought of the treasure he had unexpectedly acquired and he merely smiled.

If Women Only Knew

What a Heap of Happiness It Would Bring to Tacoma Homes. Hard to do housework with an aching back. Brings you hours of misery at leisure or at work. If women only knew the cause—that Backache pains come from sick kidneys, "I would save much needless worry." Doan's Kidney Pills cure sick kidneys. Tacoma people endorse this: Mrs. R. O. Fenton, 3908 N. Verde street, Tacoma, Wash., says: "It gives me great pleasure to tell of the benefit I received from the use of Doan's Kidney Pills. I was led to try this remedy after another member of my family had taken it and had been cured of kidney complaint. Doan's Kidney Pills at once relieved the pain in my back and corrected the trouble with my kidneys. I still take this remedy occasionally and it acts as preventive of any kidney disorders." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
