

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

It is acknowledged to be the most successful remedy in the country for those painful ailments peculiar to women.

For more than 30 years it has been curing Female Complaints, such as Inflammation, and Ulceration, Falling and Displacements, and consequent Spinal Weakness, Backache, and is peculiarly adapted to the Change of Life.

Records show that it has cured more cases of Female Ills than any other one remedy known.

Lydia E. Pinkham's Vegetable Compound dissolves and expels Tumors at an early stage of development. Dragging Sensations causing pain, weight, and headache are relieved and permanently cured by its use.

It corrects Irregularities or Painful Functions, Weakness of the Stomach, Indigestion, Bloating, Nervous Prostration, Headache, General Debility; also, Dizziness, Faintness, Extreme Lassitude. "Don't care and want to be left alone" feeling, Irritability, Nervousness, Sleeplessness, Flatulency, Melancholia or the "Blues." These are sure indications of female weakness or some organic derangement.

For Kidney Complaints of either sex Lydia E. Pinkham's Vegetable Compound is a most excellent remedy.

Mrs. Pinkham's Standing Invitation to Women

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, Lynn, Mass. for advice. She is the Mrs. Pinkham who has been advising sick women free of charge for more than twenty years, and before that she assisted her mother-in-law Lydia E. Pinkham in advising. Thus she is well qualified to guide sick women back to health. Her advice is free and always helpful.

Old Favorites

Maidenhair.

Maiden! with the meek brown eyes, In whose orb a shadow lies Like the dusk in evening skies!

Thou whose locks outshine the sun, Golden tresses wreathed in one, As the braided streamlets run!

Standing, with reluctant feet, Where the brook and river meet, Womanhood and childhood fleet!

Gazing, with a timid glance, On the brooklet's swift advance, On the river's broad expanse!

Deep and still, that gliding stream Beautiful to thee must seem As the river of a dream.

Then why pause with indecision, When bright angels in thy vision Beckon thee to fields Elysian?

Seest thou shadows sailing by, As the dove, with startled eye, Sees the falcon's shadow fly?

Hear'st thou voices on the shore, That our ears perceive no more, Deafened by the cataract's roar?

O thou child of many prayers! Life hath quicksands; Life hath snares! Care and age come unawares!

Like the swell of some sweet tune, Morning rises unto noon, May glide onward into June.

Childhood is the bough where slumbered Birds and blossoms many-numbered; Age, that bough with snows encumbered!

Gather, then, each flower that grows, When the young heart overflows, To embalm that tent of snows.

Bear a lily in thy hand; Gates of brass cannot withstand One touch of that magic wand.

Bear through sorrow, wrong and ruth, In thy heart the dew of youth, On thy lips the smile of truth.

Oh, that dew, like balm, shall steal Into the wounds that cannot heal, Even as sleep our eyes doth seal;

And that smile, like sunshine, dart Into that sunless heart, For a smile of God thou art. —Henry Wadsworth Longfellow.

THEIR MARRIED NAMES.

Homespun Parents Could Not Master Foreign Pronunciation.

International marriages are, in these days of travel, more common than they used to be; but they were not unknown to our ancestors of a century ago, and were least rare, it seems, in some of the old seafaring families. Old-time sea captains made friends in many lands, and were occasionally accompanied on board ship by some adventurous daughter, eager, like Lord Bateman of the ballad, "far countries for to see." One such, who traveled as far as Russia, did not return; she remained there as the wife of a prosperous Russian merchant.

Her father's fellow townsmen were naturally interested to hear all about the match on his return, but there was one important piece of information they never obtained—the bride's married name.

It was so unpronounceable that the good captain declined even to attempt it. He always spoke of his daughter as "my gal who married a furriner;" his mother called her my "my granddarter over in Rooshy," and everybody else soon fell into the way of saying simply—and not at all jocularly—"Maria Thingumajig."

Another old sea captain had two charming girls who accompanied him to France, both of whom married Frenchmen. French is a less difficult tongue than Russian, but the old man's ear was not good, and the two brides, on their first visit home, were somewhat chagrined at the havoc he made with their names.

They had become Madame Carette and Madame Le Bottillier; but he introduced them cheerfully to strangers as Mrs. Lee Bottles and Mrs. Carrots. They gently remonstrated against such a perversion of their names, but in vain; he could achieve nothing better until a compromise was reached, in accordance with which he ceased to try to pronounce them at all.

Thereafter, when an introduction became necessary, he presented "My darter, Mrs. Nancy B.," or "My darter, Mrs. Polly C.," adding, genially, "and if ye want the full of her name in French, she'll tell ye an askin'." She speaks the language.—Youth's Companion.

The Bore Returns.

Midnight came and still the bore remained.

"Do you like music?" asked the beautiful girl just to break the monotony.

"Passionately fond of it," replied the bore. "In fact, music will always carry me away."

She rushed over to the piano and played several popular airs.

"You are still here," she said, turning on the stool.

"Yes," yawned the bore.

"But I thought you said music always carried you away?"

"So I did—music!"

We have noticed that the people who talk a great deal about a "secret sorrow" are pretty apt to give the secret away, if encouraged.

So many people consider a wish an ambition.

No Fears as to That.

Young Wife (bidding good-by at the train)—You know I am going to be away only two weeks, dear, and that will soon roll around.

Young Husband—You bet it will! Two weeks will bring the first of next month, and you know how many things we've got in the house that were bought on the installment plan.

The Handy Doctor in Your Vest Pocket

IT'S a thin, round-cornered little Enamel Box—

When carried in your vest pocket it means Health-insurance.

It contains Six Candy Tablets of pleasant taste, almost as pleasant as Chocolate.

Each tablet is a working dose of Cascarets, which acts like Exercise on the Bowels and Liver.

It will not purge, sicken, nor upset the stomach.

Because it is not a "Bile-driver," like Salts, Sodium, Calomel, Jalap, Senna, nor Aperient Waters.

Neither is it like Castor Oil, Glycerine, or other Oily Laxatives that simply lubricate the Intestines for transit of the food stopped up in them at that particular time.

The chief cause of Constipation and Indigestion is a weakness of the Muscles that contract the Intestines and Bowels.

Cascarets are practically to the Bowel Muscles what a Massage and Cold Bath are to the Athletic Muscles.

They stimulate the Bowel Muscles to contract, expand, and squeeze the Digestive Juices out of food eaten.

They don't help the Bowels and Liver in such a way as to make them lean upon similar assistance for the future.

This is why, with Cascarets, the dose may be lessened each succeeding time instead of increased, as it must be with all other Cathartics and Laxatives.

Cascarets act like exercise.

If carried in your vest pocket, (or carried in My Lady's Purse), and eaten just when you suspect you need one, you will never know a sick day from the ordinary ills of life.

Because these ills begin in the Bowels, and pave the way for all other diseases.

"Vest Pocket" box 10 cents.

Be sure you get the genuine, made only by the Sterling Remedy Company, and never sold in bulk. Every tablet stamped "CCC."

Capital Punishment.

Capital punishment is still practised in many countries, though of late years, especially in the United States, it has been made as humane as possible. That creation of the French Revolution, the guillotine, is still used by some countries, and the old executioner's ax deals out justice in Brunswick.

The most humane method of execution, the electric chair, is used only in the United States. Spain employs the garrote, or iron collar, which is tightened until the victim strangles to death; and in Prussia the heads of prisoners are struck off with the sword. The guillotine is used in Bavaria and Belgium; and Russia destroys her criminals by shooting, hanging, and with the executioner's sword. The gallows is the official means of administering death in Great Britain; Austria has adopted the same means; but Chinese criminals are killed by the sword.

68, BUT PERFECTLY WELL.

The Happy Experience of a New Castle, Pa., Woman.

Mrs. John Mansell, 614 South Jefferson street, New Castle, Pa., says: "For years I was running down with kidney trouble without knowing what it was, and finally got so bad I was given up. The urinary passages were painful, sometimes scanty and again very profuse. My limbs, feet and ankles bloated dreadfully, and sometimes my whole body. My heart palpitated and I had smothering spells. A week's treatment with Doan's Kidney Pills helped me and a few boxes cured me. At 68 I am strong and well."

Sold by all dealers. 50 cents a box. Foster-Milburn Co., Buffalo, N. Y.

How It Happened.

Uncounted ages ago, while the Egyptian sphinx was young and tender, there came a season much like this one.

The day being unusually warm, with a promise of warmer days to come, the sphinx changed her garments and put on lighter ones.

Within a few minutes the weather became 40 degrees colder.

The sphinx sneezed with great violence, and her nose dropped off.

Perturbed with astonishment, she remained rooted to the spot.

And has remained there ever since.

"The Blood is the Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It enriches and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

Justice in Iceland.

The people of Iceland are so honest that there are neither prisons nor police in the country. It is said that there have been only two thefts in one thousand years.

One of these was that of a native who was detected stealing sheep; but as he had done so to supply his family, who were suffering for want of food, he was not punished, the shame attached to his condition being deemed sufficient degradation.

The other was by a German who stole seventeen sheep, and as he was in comfortable circumstances he was sentenced to sell all of his property, restore the value of what he had stolen, and leave the country or be executed. He left.

There are courts of justice; but it is not an inviting field of operations for lawyers.

ECZEMA COVERED BABY.

Worst Case Doctors Ever Saw—Suffered Untold Misery—Perfect Cure by Cuticura Remedies.

"My son, who is now twenty-two years of age, when four months old began to have eczema on his face, spreading quite rapidly until he was nearly covered. The eczema was something terrible, and the doctors said it was the worst case they ever saw. At times his whole body and face were covered, all but his feet. I used many kinds of patent medicines, to no avail. A friend teased me to try Cuticura. At last I decided to try Cuticura when my boy was three years and four months old, having had eczema all that time and suffering untold misery. I began to use all three of the Cuticura Remedies. He was better in two months; in six months he was well. Mrs. R. L. Risley, Piermont, N. H., Oct. 24, 1905."
