## SPLENDID VICTORY

Over McKee's Rocks Indians Achieved by W. A. C.—A Fast and Interesting Game in Which the Locals Showed up Well.

The scalp of McKee's Rocks Indians dangle at the belts of Captain Edwards' lanky warriors, the visitors having been taken into camp to the tune of 17 to 0, in a fast and clearly played game, at the Island ball park Saturday afternoon. The result was not unexpected by those who have followed the form of both teams, yet the W. A. C.'s fine showing was much in the nature of a pleasing surprise. Latrobe defeated McKee's Rocks by the same score, and since Greenburg on Saturday tied the famous Duquesne Country and Athletic club, at Pittsburgh, Wheeling people are beginning to realize that the town is represented on the gridiron by a team which is "some shucks."

But that Wheeling is proud of its fast eleven hasn't been attested by the gate receipts. In order to satisfy the purse-strings of those who thought the ad-

### CYCLING.

Now that the chainless type of bicycle has come down to a reasonable rate, \$75, it is likely it will be used by road riders in Wheeling. Says A. G. Spalding of the chainless:

"Experience has proved that the chainless wheel has come to stay. It was a difficult matter to perfect this style of wheel, and many discouragements were met with at first. The chainless wheel is certainly destined to become more and more popular. By that I do not mean to say that it will supersede the chain wheel. The thing will resolve itself into two classes for the new style is bound to be more expensive than the present chain machine.

The Amenities of married life are always a baby. Without it, wedlock is a summer field that never blooms.

A flower that never buds, a night without stars, a sermon without a benediction, a prayer without an Amen. There never was a husband worthy of the name, who did not aspire to be the father and grandfather of healthy, capable children to hand down his name and the fortune accumulated by the sweat of his brow, from generation to generation. There never was a wife fit to bear that noble title, who did not wish to wear womanhood's most glorious crown, the scepter of motherhood. Thousands of wedded couples, otherwise happy, fall short of wedlock's greatest happiness because they are childless. In the majority of cases, this is because the wife, through ignorance or neglect, suffers from weakness and disease of the organs distinctly feminine. For women who suffer in this way there is one great medicine that does not fail to accomplish its purpose. It is Dr. Pierce's Favorite Prescription. It acts directly on the delicate organs concerned and makes them strong, healthy, vigorous, virile and elastic. It allays inflammation, heals ulceration, soothes pain and tones the shattered nerves. It fits for wifehood and motherhood. It quickens and vitalizes the distinctly feminine organism. It banishes the maladies of the expectant mother and makes baby's introduction to the world easy and almost painless. It insures the little new-comer's health and nourishment in plenty. It is the best supportive tonic for nursing mothers.

Mrs. Jennie Parks, of Marshall, Spokane Co., Wash., writes: "I am glad to tell of the good results of your great medicine, Dr. Pierce's Favorite Prescription. I was benefited by your medicine in confinement. It gives me strength. I have no tired feeling and my baby is the picture of health. I feel better than I have in ten years."

In cases of constipation Dr. Pierce's Pleasant Pellets should be used as an adjunct to the "Favorite Prescription," they are extremely simple, perfectly natural and insure prompt and permanent relief.

The very best workmanship is required to turn out a good chainless wheel, and for this reason the latter can never hope to altogether supply the demand.

### AMUSEMENTS.

The appearance of the Andrews Opera Company at the Opera House this evening will prove an event of the season in the way of a musical treat, as this aggregation is unexcelled in its various productions of grand and comic opera in English. Foremost in their repertoire this season are Flotow's sublime "Martha," Mascagni's prize composition, "Cavalleria Rusticana," and Balfe's beautiful "Bohemian Girl." In the way of grand opera, with Le Cocq's opera-comique, "Girofle-Girofla," and Gilbert & Sullivan's "Pirates of Penzance" representing the lighter order of opera.

The leading roles of these respective productions are interpreted by artists of unquestioned ability. Miss Myrta French, prima donna soprano, possesses a voice of striking range, purity and flexibility, and withal a sweetness and tenderness of sympathy to her work in the classic productions, while her charming personality, prepossessing grace and dash make her extremely popular in the lighter roles. Frank W. Walters, leading tenor, has a manly, robust voice, and many of his numbers are rendered with amazing execution and volume. He is acknowledged as one of the most gifted tenors of the day. The leading contraltos are Miss Pearl Nightingale and Miss Carrie Godfrey, both artists of rare repute. George Andrews and W. C. Howard are thoroughly at home in the baritone roles. The comedians of the organization are C. A. Parker and F. J. McCarthy, both well known for their wholesome humor and fine vocal attributes. Mr. Tom Johnson, a basso of rare excellence, completes the list of principals.

To-night's bill is "Martha."

**THE WILBUR OPERA COMPANY.**  
Manager C. A. Feinler takes pleasure in announcing to his patrons that he has succeeded in engaging for this week the Wilbur Opera Company. The Wilbur company has been in existence for eighteen years, during which it has not lost a dozen performances, summer or winter. There is no opera company in America which can duplicate this record, which substantially shows the esteem in which the Wilbur are held by the American theatre-going public. The Wilbur company will present the following repertoire of operas during the week: "Mascotte," "Fra Diavola," "Cliruchus Clown," "Bohemian Girl," "Grand Duchess," "Beggars Student," "Olyette," "Mariana," "Falka," "Martha," and "Two Vagabonds."

### CHRONIC KICKERS.

Some in Every Household in Wheeling. But They're Growing Less.  
Chronic kickers the kidneys are—when they're sick.  
What makes the kidneys sick? A simple thing.  
They have too much to do.  
Must keep up their work, they never rest.

Can't blame them for kicking.  
Ever have your kidneys kick?  
Ever have a bad back, a lame, weak or aching one?  
Know it's the same thing?  
The back aches because the kidneys are blocked.  
Help the kidneys with their work.  
The back will ache no more.  
Lots of proof for it comes from Wheeling.

Citizens read this case in point:  
Mr. Walter McLachlin, of No. 3022 Jacob street, a machine hand, working at J. A. Holliday & Sons' planing mill, says: "I firmly believe had I not used Doan's Kidney Pills when I did I would not be alive now. I was in a terrible condition, and although I took quarts of medicine, and was attended by doctors, I got no better, but worse. Friends spoke of my bad appearance, and thousands knew about it. I could hardly get around, and felt and looked like a dead man more than a living one. Doan's Kidney Pills were a blessing to me; half a box relieved me, three boxes entirely cured me, and I feel as though my back was as strong as that of any horse in Wheeling. I would rather have a box of Doan's Kidney Pills than the services of all the doctors in the state. I was afraid to ask physicians the name of my trouble, dreading to hear them say Bright's Disease, which I had always thought incurable. My relatives did not expect that I would get over it, and the doctors were not very encouraging. I had about given up all hope myself, when I read of the wonderful cures performed by Doan's Kidney Pills. As a last resource I sent to the Logan Drug Company for a box. I felt relieved by the time I had taken half a box, and I repeat three boxes cured me. Send any citizen to me who has kidney trouble, and I will tell him to use Doan's Kidney Pills. They cure you."

Doan's Kidney Pills for sale by all dealers. Price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name, Doan's, and take no substitute.

### BELLAIRE.

All Sorts of Local News and Gossip From the Glass City.

This city has been a veritable Monte Carlo for some time past, but notice was given that hereafter everything in the shape of a gambling device will be taken charge of by an officer, and Saturday night was the last night for slot machines, chuck-a-luck, crap, etc., that have run rife for several months. The thing started modestly, but like some infectious disease, it spread rapidly, and the town was as wide-open as it was possible for a town to be. The good people became incensed, and even some of those who participate in games became disgusted with the looseness with which it was carried on. The revolt in public sentiment brought about the end, and there are not many who will regret the passing of such days as those of the very recent past.

The grocery store of Louis Grella, in the Fifth ward, was broken into some time Saturday night, or Sunday morning, and about \$200 worth of goods and a gold watch taken. An entrance was gained to the store from the cellar, the thief or thieves entering the cellar in the rear of the store and then coming up into the store on the inside. There is no clue to the parties.

The social session to be held by the Elks next Wednesday evening will be one of the most enjoyable entertainments of the season. About one hundred invitations have been sent out, and no doubt all will attend. This is the first open session the Elks have held since they have been organized. Dancing will be indulged in after the banquet.

Richard Johnson, the man recently appointed policeman in the Fifth ward, has resigned, and a new one will be appointed in a few days.

Fred Wassman, the Third ward merchant, has been confined to his home for the past week with rheumatism in his hand.

George Scott has accepted the place made vacant by Jesse Landkrohn with the Central Association, in Wheeling.

H. S. Bowman, of Mount Pleasant, was spending yesterday with friends in the Fourth ward.

Frank Mooney, of Woodfield, was spending yesterday with friends in this city.

Fred Lydecker spent yesterday with friends in Barnesville.

## Breaking Records...

Seems to be one of the special pastimes at our store—for we don't think we've ever offered such values as we now offer, and we do know we never sold so many goods as we are now selling—The secret lies in the fact of PUBLIC CONFIDENCE, STEELING QUALITIES, and one hundred cents or more value for a dollar.

## To Those Who Visit Our WRAP DEPARTMENT.....

It's a revelation—rack after rack—pile upon pile—row after row of Ladies', Misses' and Children's Cloth or Fur Garments. New and novel in style. Wonder what we do with them all, but a day's selling makes a gap that we must get filled up at once. Hence, it is that every express brings new garments. How about prices? None ever lower than ours, as a call or investigation will convince you.

Are not made by chance, nor can they ever in any material be made at small expense. A competition for cheapness, and not for excellence of workmanship, is the most frequent and certain cause of the rapid decay and entire destruction of arsis and manufactures. For best (which is the cheapest) work, the Intelligencer Job Printing Office is the place to go.

ONE OF THE INDIANS.

mission charged to the Greensburg game was too high, Saturday's admission was cut in half, and as the attendance was also cut in half, the management naturally asked, "Where are we at?" The slim crowd was discouraging, to say the least, and when it is considered that the players knew they must go down in their pockets immediately after the game to pay the expenses of the visiting team, their brilliant work is all the more praiseworthy. This season Wheeling people have been treated to the best the house affords in the sport, and the experiment has shown that twenty-five cent foot ball doesn't pay. Next year, Wheeling will fall in line with all other towns supporting first class aggregations and charge fifty cents straight.

The story of Saturday's game is easily told. W. A. C. averaged ten pounds more than the Indians, and brilliant interference, pushed the pilskin over the "red skins" line twice in the first half and once in the second. The touchdowns were made by R. Edwards and J. Edwards. Others distinguishing themselves were Barrett, Mathis, Kinchelo, Curtis, S. Edwards, Specht and Gray. "Joe" Hudson, of the Ritchelers, took Specht's place in the second half. McKee's Rocks put up an elegant game and gave Wheeling a good scare in the latter part of the second half. Their fumbles were costly and they failed to punt enough. Roach was the star of the visiting team.

W. A. C. has no game scheduled for next Saturday, and it would like to get Steubenville here, but so far nothing has been heard from the Jefferson crew, which is in answer to W. A. C.'s challenge. W. A. C. is very anxious for revenge is sweet. On Saturday, Steubenville, loaded up as usual with Pittsburgh College players, defeated the Pan Handle A. C. of Uhrichsville, a very green team, the score being 45 to 0.

There was joy among W. A. C.'s admirers Saturday night when Will Handlan agreed to go in the game for the rest of the season. With Curtis, John Ed-

HANDLAN SPRINTING.

wards and Handlan, as backs, W. A. C. won't fear Pittsburgh college on Thanksgiving day. The students this year have been termed the "surprise of the season," on account of their great record. They average 185 pounds.

"How many Edwardes are there in this game?" was the query of a McKee's Rocks Indian. "Just three," replied a man in the crowd. "But a little foot ball player arrived at the home of Captain 'Bob' a few weeks ago, so I expect the little fellow may be in it shortly."

The Wheeling high school found the St. Clairsville boys too heavy for them Saturday, and were defeated, 15 to 0.

W. A. C. will practice this week at 10 a. m. and 3 p. m. With the addition of Handlan, and Kinchelo as sub-quarter and Hudson as sub-half, and the stone-wall line, the local team has few superiors.

The McKee's Rocks people were mightily pleased over their treatment, and Wheeling has only good words to say in return. Manager Burkhart has gotten together a fast team of gentlemanly players.

The game at Cambridge, O., between the Astnaville Juniors and Muskingum College, ended in a dispute, before the time was up. The Juniors claim the game, 6 to 0.

**THE TWO VIRGINIAS.**  
Special Dispatch to the Intelligencer.  
CHARLESTON, W. Va., Nov. 13.—The West Virginia University football team arrived here last night. They will play the University of Virginia team tomorrow. The latter team arrived to-
