DAVE says: Any young man who knows some young lady whose good will he'd like to acquire—any young man who deserves a better job, but doesn't know how to get it—any young man who has an old, worn suit that he isn't particularly proud of, and a little money—can put himself in the way of recognition, the lady's favors, and the best looking suit in town by asking to see our special young men's models in Kraus Quality Clothes.
