Time: Kickoff at 3 P. M.
Time of Quarters: 12 minutes.
Place: League Park, Martins Ferry.
Referee: Durfee (Williams College).
Umpire: Crolius (Dartmouth).
Head Linesman: Connelly (Pitt).

The stage is all set and eight thousand and football fans of Wheeling and Martins Ferry are waiting for Referee Durfee, of Williams College to blow the whistle that will send eleven boys wearing purple and white jerseys racing up the gridiron of League Park against eleven boys representing Linsly Institute this season.

Promptly at 3 o'clock the teams will line up and the big inter-city clash will be on. Both teams polished off for a short time yesterday afternoon and the finishing touches were added by Coaches Nuss and Loucks. Both are on their toes for the start, and are still full of pep.

Today's battle at League Park promises to be the premier grid attraction of the year for the two schools. The Wheeling-Linsly game was a big drawing card but it is expected today's setto will draw a large crowd as enthusiasm is running higher.

Every grid fan in the valley interested in these two teams has turned his eyes toward the clash, and never before has interest run so high. Every fan is keyed up to the highest pitch.

There is a keen rivalry between the followers of the two schools and each having a large following there should be much enthusiasm during the game.

Special arrangements have been made to handle the crowd and all that is now necessary is to line up and let the whistle blow.

Pete Stobbs, the diminutive wearer of the Cadet's colors will start today's game from the quarterback position, a new shift. Woods nor Myers are available to start but will be ready in case of an emergency. "Dutch" Hamill, the line plunging demon of the cadets will be in his usual fullback position while Captain Bob Stobbs and Marschner will be the other two backfield men.

Johnny Evans, the well known Ferry grid star will be Hamill's opponent, while Taylor will be at the pilot position. C. Thomas and Hissrich will be the halves.

At center, Berreshen, the Cadet roaming star, will be opposed by a worthy man in Swain, the big Ferry boy who has played well. The Cadets will have Jack Hamill and Joe Mackin at the tackle posts while they will be faced by Captain Josephs and R. Williams on the guards will be Serafini and Seabright for the Cadets and Lucas and C. Thomas for the Ferrians.

With good officiating assured, a large crowd expected, and both teams in the prime of condition, there is no doubt in the minds of the fans about a great game.

WELLSBURG AND FOLLANSBEE ARE READY FOR TITLE GAME

BROOKE COUNTY TEAMS WILL LINE UP THIS AFTERNOON AT KIWANIS PARK.

Wellsburg Will Be "Under Dog" as Follansbee Has Edge on Record. —— Good Game Expected.

Special to the Intelligencer.

Wellsburg, W. Va., Nov. 18.—The stage is all set for Brooke county's tilt in the football realm. Although Kiwanis Park, where the battle will be waged, is a veritable sea of mud and water, there are no hopes that it will be changed before Saturday afternoon, when Wellsburg and Follansbee send their high school football teams against each other to establish the supremacy of the county.

Present indications are that many thousand gallons of water are being held in reserve, but should the clouds disappear today, or Saturday morning, every effort will be made to clear the actual playing field of water, and with the aid of sawdust, many of the holes can be greatly improved. No oil will be burned on the field, however, and except for the improvement which can be brought about by ordinary methods, both teams will have to make the best of what confronts them.

Barnes to Play.

Follansbee lived up to predictions and on Thursday, word was received by the local fraternity from the State Athletic Association, informing the latter that the eligibility of "Marky" Barnes had been disputed by Coach Hager. The faculty became immediately busy and forwarded credentials to the association which they feel will overcome Follansbee's action, and Coach Elder informed a representative of this paper on Thursday evening that Barnes would be in Wellsburg's lineup when his team took the field.

To Start Their Best.

It is a safe bet that both Coach Elder, of Wellsburg, and Coach Hager, of Follansbee will start their best men. As far as Wellsburg is concerned, it has no injured list, and unless injuries develop in Saturday's game, worries of this nature are removed from Coach Elder's mind, thus allowing him to think only of getting the greatest ability out of his available players.

Weather conditions will favor the local eleven. Follansbee has shown its greatest strength in the forward pass, and with this style of play almost eliminated, except possibly for short passes, their attack is materially lessened, while on the other hand, Wellsburg has devoted most of its playing throughout the season in plugging the line and sweeping end runs. Accordingly, considerable time has been devoted during the week to perfecting interference. With Little, Hough, West and Wade in the backfield, Coach Elder is evidently starting the best quartette he could have selected for the assignment. Clark and Berghoff on the ends should make it miserable for Follansbee, while the guard and tackle positions seem to be unusually well cared for. This leaves the center job for Barnes, and not only Coach Elder, but fans in general are confident that nothing will threaten that department.

Expect Big Crowd.

As stated before, indications point to bad weather, yet, a crowd is being anticipated, the like of which was never before jammed in Kiwanis Park. Follansbee is expected to bring close to 500 rooters to this city Saturday, and this number may even reach 800, while the attendance from Wellsburg alone should be in the neighborhood of 2,000. Another 500 are anticipated from Brilliant, Bethany and McKinleyville.

In order to handle this monster gathering of fans, several policemen will be on special duty, and no spectators will be permitted inside of the side line wire ten feet from the actual playing field. In the end zones, special officers will be stationed at each, and these will be kept clear throughout the game. The game will be in charge of competent officials, this being assured by both coaches. Red Jackson, of the University of Chicago, will handle the whistle, and while the names of the other officials are not available, Coach Elder assured this paper that they would be thoroughly competent.

Out for Revenge.

Wellsburg is the "under dog" in Saturday's game. Follansbee was victorious last season, defeating Wellsburg by the score of 6 to 0, in a game played in Follansbee. Consequently, every man on the Wellsburg eleven will be in there fighting every minute to redeem this defeat and pile up a decisive score. The following probable lineup will take the field Saturday:

Wellsburg.		Follansbee.
Clark	L. E.	Allison
Barr	L. T.	J. Weems
McMahon	L. G.	Brady
Barnes	C.	Powers
H. Camelletti	2 G.	McBride
Calderwood	R. T.	Weems
Berghoff	R. E.	Huth
Little	L. H.	Abel
Hough	R. H.	F. Weems
West	Q. B.	Carey
Wade	F. B.	Cooper

OHIO STATE AND IOWA EXPECTED TO FINISH AT TIE IN THE WEST

Chicago, Nov. 18—The Western Conference football season will close tomorrow with virtually every position in the standing of the teams dependent on the results of the five championship contests scheduled.

From the top, where indications are Iowa and Ohio State will finish in a tie for the championship, to the bottom where Illinois, Northwestern and Indiana are grouped in a tie for last place the race for each position is in doubt tonight.

Ohio State will send its eleven against Illinois at Columbus in a contest which is expected to be another victory for Buckeye's unbroken string in conference contests. Iowa, Ohio State's chief rival faces Northwestern at Evanston in a contest in which the Evanstonians will have to accomplish the impossible to defeat the Hawkeye crew.

Thus football observers are convinced that tomorrow night, barring upsets, will find the season ended with the championship in dispute, for Ohio and Iowa do not meet. A postseason game between the two is barred by the conference rules. Chicago and Wisconsin will fight it out on Stagg field in a game which will decide third and fourth places, at least.

Wisconsin's record is now three games won, none lost and one tied. Chicago's mark is three and one, so victory for either team would place it ahead of the other in the final standing. The game is expected to be about even with the victor winning by only a bare margin.

Fifth and sixth places are being battled for by Michigan and Minnesota, these two teams meeting at Ann Arbor, Michigan. Purdue, facing Indiana at Bloomington, Ind., has a chance to pass Minnesota while Indiana must win to keep out of a tie for last place. Northwestern and Illinois facing Iowa and Ohio State, respectively, seem doomed to the bottom of the ladder.

The standing of the teams tonight follows:

Team	Won	Lost	Tied	Pct.
Ohio State	4	0	0	1.000
Iowa	4	0	0	1.000
Wisconsin	3	0	1	1.000
Chicago	3	1	1	.750
Michigan	1	1	1	.500
Minnesota	2	3	0	.400
Purdue	1	2	0	.250
Indiana	0	2	0	.000
Northwestern	0	1	0	.000
Illinois	0	4	0	.000

AMERICAN SWORDSMEN DEFEAT THE BRITISH

Washington, D. C. Nov. 18.—American swordsmen defeated the British fencing team 15 to 5 tonight in their first bout, the first of three matches in their tournamen for the Thompson trophy.

CLARKSBURG PRO ELEVEN WILL MEET WASHINGTON PROS

Team Tutored by "Greasy" Neale Will Invade Capital City Tomorrow.

Special Dispatch to The Intelligencer.

Washington, D. C. Nov. 18.—Tim Jordan's Washington pros will meet the crack Clarksburg, W. Va., eleven here Sunday at the American league park. The Mountaineers are coming to the National Capital heralded as an all-star aggregation, composed in the most part of West Virginia university players.

Among the well known stars who will make their appearance here with the visitors are Bock, West Virginia university, fullback of last year, and Lentz, West Virginia's half, who made an enviable reputation during the past campaign.

Neale Might Play.

"Greasy" Neale, the well known Cincinnati outfielder, is tutoring the Clarksburg aggregation and occasionally dons the moleskins, playing in the backfield. Whether or not Neale will be seen in action is problematical, for the reason that President Hermann of the Reds, strenuously objects to any of his ball players participating in the gridiron game.

The West Virginians have a heavier than average team, the lightest member tipping the scales at 165 pounds, while in their line are two tackles, Root and Smith—whose poundage registers at 211 and 232, respectively.

The Clarksburg eleven has compiled a very impressive record so far this season. In four contests, all they have played, they have scored 116 points, while their opponents have only been able to register 3, and only one team has been able to make a single first down against them.

SPECIAL TRAIN MAY BE RUN FROM HERE

State University May Have Special Train for Turkey Day Battle From Wheeling.

Morgantown, Nov. 18.—The advance seat sale, including both mail orders and those sold at the public sale which opened last Wednesday afternoon, practically assures West Virginia fans in the northern section of the state of special train service to the West Virginia-W. and J. game to be played here next Thursday.

Local athletic authorities have been able to get the Baltimore & Ohio railroad to consider four trains in addition to that already definitely arranged between Brownsville and this city for the W. and J. contingent of one thousand strong.

One of these four trains would leave Elkins at 7 a. m. and run through Belington, Philippi and Grafton, arriving here about 11:30 a. m. Another would leave Wheeling at 8 a. m. and running through Moundsville, Cameron, Littleton, Hundred and Mannington, would arrive here about noon. A third would leave Fairmont at 12:45 p. m. and arrive here at 1:15 p. m. allowing Fairmont people to eat a turkey dinner hastily and yet get here in time for the big game. The fourth will probably be run from Keyser over the M. & K. If scheduled, it will leave Keyser about 7 a. m. and arrive here shortly before 1 o'clock. It is possible, too, that a fifth special will be put on to run from Connellsville, Uniontown and Point Marion.

Over two hundred tickets have already been sold to people who would be prospective customers of the Elkins, Wheeling and M. & K. trains, and over 1,200 for the Fairmont train, including Fairmont, Clarksburg and Weston. This practically insures the scheduling of five special trains, and one or two more may have to be added to carry the overflow crowd that is expected to swarm towards this city at the last minute.

CHANEY DISQUALIFIED IN GO WITH DUNDEE

New York, Nov. 17.—George Chaney, of Baltimore, was disqualified for an alleged foul in the fifth round of his bout with Johnny Dundee tonight for the junior lightweight championship. The referee then awarded the bout to Dundee.

Dundee's second had complained in the earlier rounds that Chaney was hitting low. The referee warned the Baltimorean, and when Chaney hit lightly below the belt in the fifth round, he stopped the contest. Dundee was awarded the Tex Rickard belt emblematic of the junior lightweight title, a new class for 130-pound pugilists. The bout had been a slugging affair up to the fifth, with Chaney landing the more punishing blows.

Dundee weighed 128¼ pounds and Chaney 130.

Y. M. C. A. RESERVES

The Y. Reserves are now organized for the coming season and would like to book games with any junior teams weighing 120 pounds.

The following are asked to take notice: The Royal Juniors, S. Marks, Lilac A. C., Searchechies of Benwood, C. H. S. Juniors, Nationals, Fulton Cubs and any other junior teams in the valley.

A meeting was held and the following players will represent the team: Gillespie, center; Monsoro, Geisel, Hendershot, as guards. Practice will be held on Saturday evenings until further notice is given.

All teams wishing games will please write Earnest Barte, 2111 Eoff street, city.

Coach Martin requests every member be present that can on Saturday evening practice time at 7 p. m., so he can harden the boys' muscles and get them into shape for the coming season.

Through the kindness of Prof. Calloway the boys have secured the floor of the association as their home floor.

With a coach like Martin the boys expect to go through a successful season.

WORLD RECORD AT BILLIARDS BROKEN AT 384

Chicago, Nov. 18.—Welker Cochran, of San Francisco, today broke the world's record for 18.2 balk line billiards when he made a run of 384 in the fourth inning of his game with George Sutton, in the world's championship tournament. The former record of 307 was held by Willie Hoppe. Cochran won the match in the fifth inning, 400 to 57.

HIGH GRID CARD IS GOOD TODAY

Twenty-Six Teams Will Battle Today In This State—Three Big Games

Main Go Will Be Huntington-Clarksburg Battle—Follansbee--Wellsburg Game Big

(BY H. A. STANSBURY)

Clarksburg at Huntington
Grafton at Mannington
Weston at Fairmont
Elkins at Victory
Follansbee at Wellsburg
St. Albans at Charleston
Philadelphia at New Martinsville
Cross-Kenova at Point Pleasant
West Union at Cairo
Williamstown at Ravenswood
Belington at Fairmont East Side
Morgantown at Uniontown (Pa.)
Marietta Reserves at Pennsboro.

Aside from the local interest that attaches to the Weston-Fairmont, Grafton Mannington and Follansbee-Wellsburg games, and the "main go" between the defeated Huntington and Clarksburg teams at Huntington, there is no great opportunity for excitement over today's Mountain State high school football card. Neither of the leading teams, Parkersburg and Buckhannon, are playing. Parkersburg meets either Elkins or Morgantown on Thanksgiving day, while Buckhannon goes to meet Charleston. Neither team has been defeated. Spencer is the only other state high school eleven with a clean slate at this time, but the schedule for Shumaker's outfit has not been comprehensive enough to give him a fair shot at State honors.

Parkersburg And Buckhannon

Parkersburg and Buckhannon should be brought together for a deciding game. Parkersburg makes light of Buckhannon's claims on the title, and our own opinion is that the "Big Red" with Hohensack in the leading role will score a decisive victory if the two teams do meet, but this is merely a matter of opinion and cannot settle the issue. The only way in which the superior team of the two can be picked out is to get the two together on some regulation gridiron with a referee and other necessary trappings and blow the whistle. Parkersburg does not seem to agree that Buckhannon has a claim on the title and appears well satisfied with what looks like a newspaper decision. This course does not seem justified. Buckhannon has a perfectly clean slate. She beat Clarksburg on her own grounds and has used all the other Monongahala Valley teams as stepping stones to a position of some eminence in West Virginia high school football. She crowned Weston be a 28-7 score, then Weston turned around and beat not only Mannington, which team had been cutting a wide swath, but also Elkins, the latter by a 17-14 count. Inasmuch as Elkins had started Charleston's down the toboggan by an 18-6 defeat, Buckhannon's claim cannot be ignored. On "paper" Buckhannon is 36 points better than Charleston, Parkersburg beat Charleston about fifty points so if the Wood and Upshur county representatives get together for a game, our money goes down on Parkersburg, but the game ought to be played and Parkersburg, instead of holding back, should be the one to urge it.

Closes Games Today

The Huntington-Clarksburg game will help decide the rating of some of the teams down below second place today. Huntington probably will win, but it is going to be a close game and Hite after two defeats should have his men in a fighting mood. The Weston-Fairmont game will be another close one and Weston has the edge. Grafton and Mannington will put up another royal scrap with the outcome in doubt, while Follansbee and Wellsburg will stage a contest that will make the Panhandle sizzle. Elkins and Charleston should have it easy in their games.

ROTTEN WORK SAYS GREASY

WASH-JEFF MENTOR NOT AT ALL SATISFIED WITH THE SCRIMMAGE HELD YESTERDAY AFTERNOON.

Scrubs Battle Varsity Using West Virginia Plays—First Scrimmage Since the Pitt Game

Special to the Intelligencer.

Washington, Pa., Nov. 18.—The first scrimmage since the Pitt game was staged for Wash-Jeff this afternoon on a soggy field, but with the atmospherele conditions favorable. The practice was the first for a number of men, none of the freshman having been out before this week, because of the six weeks' examinations. However, the tests were all completed before practice time and the entire varsity squad was on the field. Neale put the scrubs into a practice game with the varsity armed with West Virginia plays and formations. The practice was secret, but at its conclusion the attitude of Neale showed that he was not at all satisfied. When asked how the practice went, he merely replied "rotten."

WILL MEET GAINES

The East End Independents after a hard week at training will meet the Gaines A. C. eleven next Sunday afternoon at Stop 19, Barton line, in what looks like a real battle. The following East Enders are requested to meet at Hughes' confectionery at 1 o'clock on the dot: Hudman, Clark, Dobias, Long, Morningstar, Watson, Lytle, C. Lytle, Gray, McDonald, Norman F. Norman, Jeppins, Morgan, Vogler, Kunta.

STAR FULLBACK OF WITTENBERG TO PLAY TODAY

Borman Will Get Back in After Suffering From Injuries—Farmer Will Get in Fray.

Springfield, Ohio, Nov. 17.—The news that "Eddie" Borman, Wittenberg's whirlwind fullback would be able to play Saturday against Ohio Wesleyan caused considerable cheer to permeate the Lutheran camp here today.

Wittenberg is facing the hardest home game of this season Saturday with a crippled lineup. With Switzer, tackle, out for the season, and Compton, left end, and star punter, likewise out on account of a broken jaw, Godfrey will be compelled to hastily construct a line strong enough to stop Ohio Wesleyan.

The Wittenberg backfield is in good condition. The full back position was the doubtful matter, but if Borman is able to resume his place there will be no further trouble in the backfield. In the line it is likely that either Farmer or Burgenson will act at tackle with Hathaway at guard and White at end.

Determined to Get Even.

Despite continuous heavy rains the Wittenberg squad has been practicing right along and are going into Saturday's game with the determination to even up scores with the Methodists. Due to the incessant rains the Wittenberg-Ohio Wesleyan classic will be played on a muddy field which will detract considerable from the art of the game.

Local officials are planning to handle the record crowd of the season, as both Wittenberg and Ohio Wesleyan have a large number of followers in this section of the state. Among the fans at the game will be the Hon. Harvey C. Smith, secretary of the state of Ohio.

WASHINGTON HIGH COACH TURNS DOWN WESTMINSTER OFFER

Former Wash-Jeff Star Will Remain With Neighboring State High School Another Year.

Special Dispatch to The Intelligencer.

Washington, Pa., Nov. 18.—It became known today that Leroy P. Day, football coach and athletic director at Washington high school, had been made an offer to Coach Westminster, Pa., college football team for next season, but that the former Washington and Jefferson player had rejected the tender to remain with the local school. The offer was prompted by Coach Day's almost phenomenal success with Washington high, he having consistently turned out top-notch teams. Last year his Washington high eleven won the Western Pennsylvania league championship and this season Washington not having lost to a single league team, is making championship claims again.

Westminster this season is coached by "Tus" McLaughrey, the former Westminster star, who was pressed into service when Wimberley, former Washington and Jefferson captain went to Illinois. The team has been anything but a success having lost most of its games of importance. Westminster made an attractive financial offer, but the Washington high tutor decided that he could accomplish more in his present position and decided to remain at least for another year.

TRIADS LEAVE FOR NEW MARTINSVILLE

Wearers of Red and Black Will Get Away This Morning for Big Clash.

Coach Wolfe's charges of Triadelphia high school will leave this morning at 11 o'clock over the B. & O. for New Martinsville where they will meet the New Martinsville high school eleven this afternoon.

Despite a week at hard training the Triads are fearing defeat, as a result of the showing made against Wheeling high several weeks ago by the down-state eleven.

The result of the game will be watched closely that a comparison with the Warwood high eleven may be made. Warwood clashing with the Triads next Thursday morning.

PADEN CITY ELEVEN

Fast Down-River Team Will Invade Benwood Tomorrow With Crowd of Rooters.

Football fans of the Wheeling district who will pay a visit to the Nick Heil field tomorrow afternoon will be given a royal treat in the scheduled clash between the fast and husky Paden City A. C. eleven and the Benwood A. C.

The Paden City lads have a clean record for the season, and will be accompanied by a large delegation of rooters.

The Marshall countians have been working hard all week, and will present their most formidable lineup. Several new faces will be seen in the Benwood lineup, which Coach Sheets has been driving hard.

CUPIDS VS. ALPINES

The Cupids and the Alpines will meet in one of the best gridiron clashes of the season at Twenty-sixth playgrounds Sunday at 1 p. m. McFadden will probably be seen in the lineup Sunday after being out of the game for several weeks owing to an injured shoulder.

The Alpines will hold practice today at 1 p. m., and Sunday at 10 a. m. The following players will report for practice: Berry, Fronko, Dixon, Rader, Keenan, Lashorn, Hoyt, Bower, Blizzard, McDonald, McFadden, Custer, Clarke, Andrews.

The Alpines would like to arrange a game with the following teams for Thanksgiving, Buckeye Jr., D. W., East End Independents or any other 130-135 pound team in the valley.

WANT A GAME

The D. W. Juniors would like to hear from any 115 pound team in the Wheeling district for a game away from home Sunday. Call 3120-W and ask for "Doc."

BATTLE POSTPONED

Milwaukee, Nov. 18. The Bocky Kansas-Lenny Mendelsson bout scheduled to be staged here Monday night, has been postponed one day. Kansas violated the state law and as a result the bout was not held until Tuesday night by the State Boxing Commission.

HOMECOMING TODAY WILL SEE THOUSANDS OF BETHANY GRADS

BIG CLASH WITH WEST VIRGINIA WESLEYAN PROMISES TO DRAW NEW RECORD CROWD

Buland Has Not Announced Lineup—Big Feed at First Christian Church Tonight

The whole Bison herd will turn loose in Wheeling today on the occasion of what is expected to prove the greatest fall home-coming in the history of the college as the eleven clashes with West Virginia Wesleyan in the afternoon on the Island. From the oldest professor down to the greenest freshman, all plan to be on hand, and only a cloudburst or an accident to the Bethany trolley will keep Bethany from being very much in evidence in Wheeling from now on.

Things will start moving out along the Buffalo creek early Saturday in order that all may be in attendance at the game. Classes have been shortened from their usual hour's duration to 45 minutes in order that all may have plenty of time to get ready to leave Bethany by noon so that the whole of the herd may be in line for the Bethany parade, which, led by the student band that created such favorable comment at Tech last week, will march from Twelfth and Market streets at 2:30 o'clock sharp for the field. The student body will thus arrive on the field well before the time of the game and have plenty of time for limbering up their voices. Cheer-Leader Helme, assisted by "Boots" Whitehead and Bill Noland, plan to put on some real stunts in the way of leading cheers.

All Players Ready

Practically all of the players have recovered from their injuries and will be in the line-up. Bison mentors have not let slip unheeded the reports that the Buckhannon crew have been saving for this game, and the men are all prepared for a stiff battle.

One of the most interesting points of the game will be the bearing that it will have on the state championship. Though Bethany and West Virginia do not meet this year, each meets Wesleyan, W. & J. and Ohio U. Bethany's score of 13-0 to W. V. U.'s tally of 7-0 over Ohio U. is pleasing to the Bison followers, while the state institution's win over Wesleyan by a score of 35-3 will mean that Bethany will have to hop some today.

Randolph Will Play

Another feature of interest will be the playing of half-back Harry Randolph, who, now tied with Martin of W. V. U. for the highest individual scoring in the tri-state district, is desirous of forging again to the lead in this section by his actions. "Rasdy" may be hampered in his actions somewhat by the fact that his ankle was severely bruised in the Tech game, but the big fellow declares that he is as good as ever and only wants a chance against the Wesleyan aggregation.

Speaking yesterday, Captain Buck Dunn emphasized that fact that Wesleyan would put up the fight of her college year rather than submit tamely to a Bethany trouncing. Several of the best of Wesleyan's men have been out of the line-up lately because of the desire of the Buckhannonites to make their season come to a close in a blaze of glory. They will be fighting their hardest today, and Bethany will not be over-confident.

Banquet Tonight

Following the game will come the annual Bethany reunion and banquet. The First Christian church will be the scene of much activity, W. K. Woolery, alumni secretary, assures. Never before have there been so much demand for tickets to the banquet so far ahead of time, and Professor Woolery estimates that a good day will see at least 200 at the banquet this evening. This despite the fact that many will be forced to leave the city immediately after the game.

Probable Lineup.

The following will probably be the lineups at the kickoff:

Wesleyan.		Bethany.
Rohrbaugh	L. E.	Coller
Krushank	L. T.	Broadley
P. Hale	L. G.	Adkins
Knight	C.	Bailey
Eastman	R. G.	Dunn
Harper	R. T.	Shumaker
Shea	R. E.	Smith
Eldemiller	Q. B.	Kelley
Priester	L. H.	Randolph
Haught	R. H.	Payne
Cutright	F. B.	Jean

MOUNTAINEERS HAVE ARRIVED

RESTED OVER NIGHT AT PHILADELPHIA AND WILL GO ON TO NEW BRUNSWICK TO-DAY

Spears Says He Will Not Save Regulars for Wash-Jeff Game—Craver at Fullback.

Special to the Intelligencer.

Philadelphia, Pa., Nov. 18.—West Virginia football team after arrival here this morning enroute to New Brunswick to play Rutgers to-morrow, spent a quiet day of it and hit the hay early to-night to get a good rest for the Scarlet. In the afternoon the men visited a vaudeville show, but the rest of the time was spent quietly at their hotel. No practice was on the program and Coach Spears is gratified that he can start any one of the twenty-seven players at his command without restraint because of injuries.

To quiet rumors that he would start some substitutes against Rutgers and save his varsity men for the Wash-Jeff game, Coach Spears announced emphatically to-day that every varsity would be started with the possible exception of Martin, who has been absent from practice almost ten days because of a death in his family.

This means that Spears will likely start Pierre Hill and Hawkins at ends; Joe Harrick and Tallman at tackles; Captain Kay and Setron at guards; Phillips Hill or Fuccy at center; Craver or Martin at fullback.

Of course Spears will relieve men if by any chance the Mountaineers should get far enough ahead to permit it, but Spears expects nothing of this sort and is resigned to having to play his regulars throughout to win no matter what the cost so far as the Thanksgiving game with W. & J. is concerned. The team will leave here at 10 o'clock tomorrow morning, arriving at New Brunswick for an early lunch, the game being scheduled at 2:30.

COOGAN HAS SHADE BETTER OF OPPONENT

Minneapolis, Minn., Nov. 18.—Mel Coogan, Brooklyn lightweight, had a shade over Clonie Tait, Minneapolis, in their ten-round no decision boxing bout here tonight, according to sporting writers. Some newspapermen called the contest a draw.

Teacher—Thomas, will you tell me what a conjunction is, and compose a sentence containing one?

Thomas (after reflection)—A conjunction is a word connecting any thing, such as "The horse is hitched to the fence by his halter." "Halter," is a conjunction, because it connects the horse to the fence.—Harper's Bazar.
