

BOLSHEVISTS PLAN UNIQUE MONUMENT

All Sorts of Moving Vices To Celebrate Sovietism

WASHINGTON, Nov. 3.—Well-authenticated information received in Washington is to the effect that the people's festival recently held in Moscow will celebrate the third anniversary of the Bolshevik revolution, there was exhibited a model of a remarkable monument to be erected in commemoration of the Third International, which was held some months ago in Moscow.

The model was designed to illustrate the Soviet form of government. The design was made by the painter, Tatlin. It represents a building that will be 650 feet high and will consist of four revolving floors.

The first floor is in the form of a cube and shows the location of the legislative branch. This floor will make one complete revolution a year. The second is a pyramid with the top of it will contain the executive departments. These departments will make one complete revolution a month.

The third floor is a cylinder representing the information division, propaganda, etc. This floor revolves daily.

The fourth and last floor is a hemisphere. It will house radio stations and other scientific apparatus. It is not stated whether the floor revolves.

The basement of this remarkable edifice will be equipped with machinery (presumably for the cars of the employees on the revolving floors above) motion picture shows and other modern conveniences. The basement of this will be equipped with machinery (presumably for the cars of the employees on the revolving floors above) motion picture shows and other modern conveniences. The basement of this will be equipped with machinery (presumably for the cars of the employees on the revolving floors above) motion picture shows and other modern conveniences.

GERMAN INTRIGUE IN BOMB PLOT

Chicago Lead in the Investigation Is Very Interesting

CHICAGO, Nov. 3.—Agents of the Department of Justice are questioning men alleged to be involved in interesting a tale, which in connection with clearing the Wall street explosion promises startling revelations of German intrigue and conspiracy in the United States and other parts of the world.

Information in the hands of the government which, bureau of investigation, authorities believe will clear up the mystery in Chicago of the men responsible for the bomb outburst outside the offices of J. P. Morgan & Co., in New York.

Henry Campbell, the informant, a Wisconsin man, who admitted to government officials that during 1914 and 1915 he was an ardent supporter of Germany in her war with the Entente, has told a long story to Assistant District Attorney Glass. Sommerfield came to his own accord when he believed the information which he believed

BETTER THAN WHISKEY FOR COLDS AND FLU

New Elixir, Called Aspironal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter If Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspironal, the two-minute cold and cough reliver, authoritatively guaranteed by the laboratories. Tested, approved and enthusiastically endorsed by the highest authorities, and proclaimed by the common people as a times as quick and effective as aspirin, rock and rye, or any other cold and cough remedy they have ever tried.

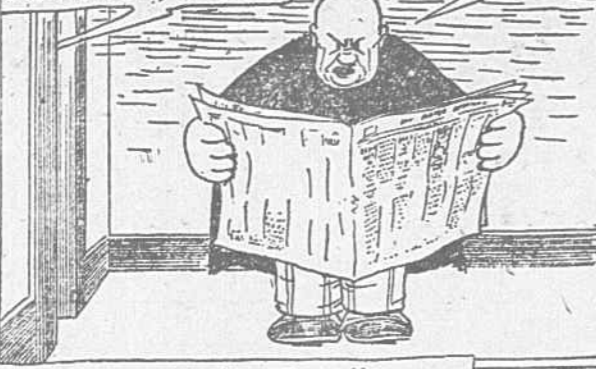

All drug stores are now supplied with Aspironal and you will find it on the shelves. To get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspironal, and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be satisfied for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspironal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—Adv.

would be valuable to the government. The details of this information have been guarded with secrecy by government officials. Both Mr. Glass and Mr. Brennan declined to discuss the case. From other sources, however, it was learned that if investigation proves Sommerfield's story true, the arrest is imminent of at least two men who are said to be at the head of a huge conspiracy to punish certain financiers of America for their part in financing the Entente during the war, to make a concerted effort to wreck government buildings and to overthrow the government itself. One man is said to be already under arrest in Pittsburgh, Pa. The story told by Sommerfield is one of intrigue entered into by a group of enthusiasts known as the "inner seven" who met in secret

Does Your Husband Come Home Tired, Nervous, Irritable?

Physician Says Thousands Of Men Are Breaking Down Simply Because Their Blood Lacks Iron—Tells How To Convince A Husband That He Needs NUXATED IRON

To Help Make Red Blood, Strength and Endurance

"Simply because his blood lacks iron, many an American husband who ought to be feeling young, full of health, vigor and energy and in a position to shower his family with every comfort and luxury is actually struggling to make ends meet—a disappointed and discouraged 'old' man who will probably end up in a nervous breakdown or be carried off by his first illness," says Dr. H. B. Vail, formerly physician in the Baltimore Hospital and a Medical Examiner.

"Because man in the rush and tear of modern life is so little time to think about his blood condition and is often so slow to admit any weakness, the signs that his blood may be low in iron are often first detected by the watery, lashing eyes of his wife. Does your husband come home pale and lagged out and too tired to do anything or go anywhere? Does he complain about being overworked—the lack of opportunity today—some other fellow 'sluck'? Does he feel faint with the least exertion? Does he seem unable to get on his feet or another to get ahead and make big money as you and he once confidently expected?"

"Then it may well be true that his blood lacks iron, for the men with plenty of iron in their blood are the healthy, strong ones with the keen minds and the physical energy and stamina to overcome all obstacles—make their own opportunities—and force their way to big positions, power and wealth. My advice to the wife who believes her husband capable of big things in this world is to see that he builds up the iron in his blood and for this purpose I have found nothing better than organic iron—Nuxated Iron. By enriching the blood, creating new blood cells, it strengthens the nerves, rebuilds weakened tissues, and helps instill new energy and endurance in the whole system. Nuxated Iron is used by over 4,000,000 people annually—used and endorsed by former United States Senators and Members of Congress—and in many cases to my knowledge, increases the strength and energy and endurance of run-down, nervous people in two weeks' time. If your husband asks for proof that lack of iron is making him nervous, weak and holding him back in life, you can probably convince him with the following test: Have him see how long he can work or how far he can walk without becoming tired. Next have him take two tablets of Nuxated Iron three times daily after meals for two weeks. Then let him test his strength and see how much he has gained.

"The manufacturer's warning: Nuxated Iron, which is recommended above is not a secret remedy but one which is well known to druggists everywhere. Unlike the other organic iron products it is easily assimilated and does not irritate the stomach. Each tablet of organic Nuxated Iron is stamped as follows: 'Nuxated Iron' and the words 'Nuxated Iron' are stamped into each bottle, so that the public may not be misled by cheap imitations. The manufacturer guarantees elemental and entirely satisfactory results to every purchaser, or they will refund your money. It is dispensed by all good druggists in tablet form only.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without griping pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are a purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 30c.
