A COUNTRY BOOKSELLER ARRIVES AMIDST THE METROPOLITAN MADNESS

FROM the pastoral calm of Palo Alto, William P. Wreden has expanded to occupy the Post Street address left by the David Magees. It is with pleasure that we announce the opening of our new shop .

Here we shall welcome visitors and continue a tradition of fine antiquarian books in a refurbished atmosphere of discreet distinction and red velvet .

Through the facilities of both our new address and our Palo Alto shop, we hope to meet better the needs of our many friends, old and new .
