

**[An illumination designed and drawn by Mr. Sturgis as an example of the work he is prepared to do on order] Boston, Mass. 1938.**

The Art of Manuscript illumination and the Designing of bookplates:

Book love, my friends, is your pass to the greatest, the purest, and the most perfect pleasure that God has prepared for His creatures. It lasts when all other pleasures fade. It will support you when all other recreations are gone. It will last you until your death. It will make you hours pleasant to you as long as you live.

He who loveth a book will never want a faithful friend, a wholesome counsel or, or a cheerful companion
