

THE ROHWER Outpost

Vol. III No. 18

Rohwer, Arkansas

September 1, 1943

WAC: TOMORROW IS REGISTRATION

Tomorrow morning, Lt. Elizabeth Ellis of the Pine Bluff recruiting station will be in Rohwer to interview girls who are interested in the newly organized WACs.

Lt. Ellis will be at the Reports office in the Public Works division just north of ad. building 1. Mental tests and full information about the WAC training program will be made available.

Depending upon the interest shown, she will stay here for the afternoon.

Requirements call for an educational background of two years in high school. However, persons without two years of secondary training may qualify by passing the mental test.

RESIDENTS MUST REGISTER TO GET INTERVIEWS, JOBS

Requisitions for workers in all departments and sections must be filed in open form, not specifying any particular worker or workers to be assigned. Workers may not be placed at work until appropriate assignment documents have been issued. Unemployed persons must contact the Employment division for placement.

The above requirements have been in effect for some time on the project. However, to alleviate the

NEW AMENDMENT AFFECTS JAPAN-EDUCATED EVACUEES

The provision in section 60.4-3B of the "Handbook on Leave" that provides the project directors the right to grant indefinite leaves in advance of leave clearances to male U.S. citizens has been amended.

LUMBER, ROPE FOR TULE BOUND

Lumber, rope, twine and paper boxes will be furnished for repatriating families who are going to Tule Lake within ten days of their departure, stated Tom Makino, head of the Public Works division.

Block managers are now in the midst of a survey for requirements, and after a tabulation is made, will issue as much material as possible within a reasonable amount as families are to do individual crating. Freight items are to be crated and not solidly boxed.

confusion: evident among the unemployed, a further clarification of employment procedure is outlined as follows:

All unemployed persons seeking employment must go to the Employment division for interviews. On the basis of these interviews, their employment cards will be brought up to date and such persons will be contacted by the Placement section when positions for which they are suited are available.

The directors are no longer authorized to grant indefinite leaves to citizens who have returned to the United States since 1935 and who have lived ten years or more in Japan after the age of six, or have received all, or most of their formal education in Japan, or who have had formal education in Japan after the age of fifteen.

Persons falling into one or more of these categories will be granted indefinite or seasonal leaves only after leave clearance hearings have been held for them. This would mean that a short delay would be necessary for these citizens to obtain clearance approvals.

OWNERS MUST MUZZLE PETS

The Internal Security department revealed today that all dogs and cats must be either kept muzzled or be put in an enclosure by their owners for a period of 90 days. Many of the stray canines and felines have been exterminated but a few are still running loose. It is necessary that these animals be captured and removed before a rabies plague is started, according to the IS.

PRE-SCHOOL CONFERENCE SCHEDULE

Wednesday's Pre-school conference morning session will open with talks and a discussion on "Plans for Integration in the Rohwer Center Schools" by Lila Harrison, Martha Baxter, Mabel Rose Jamison and Mrs. Louise Beasley while talks will be given on "Plans for Science and Conservation in the Rohwer Schools, 1943-44" by Martha Patterson, Christina Howe, Reba Banks

and David L. Cook followed by a discussion at the afternoon meeting.

Three topics, "Community Health and the Schools," "Our Program of Health and Physical Education" and "Our Program of Mathematics" will be analyzed at 9:00 Thursday morning with Dr. Wayne S. Ramsey, Ira Holland, Virginia Magruder, Reba Hayes, Mrs. Frances Henderson, Erma Harris,

Mrs. Katie Karnes, Mrs. Mary Ballard and Mattie Lou Laflar participating. At 1:30 p.m. the principals will conduct "Building Principal's Meetings" according to their plans.

Miss Willie A. Lawson, secretary of Arkansas Education Association and T. M. Stinnett of the State Department of Education will speak on "Teacher Welfare" (Continued to Page 2)
